MOVIE MONTH

PREVIEWS goes to the movies once again this month, celebrating the comics and graphic novels that inspired the comic book movies you know and love (or the comics that inspired the movies)! Check out some choice selections for your reading list, located throughout this issue — just look for the **Movie Month** icon above! We've got our *Movie Month "Coming Soon" Release Calendar* starting on page 252, running down the biggest blockbusters and genre films that this summer has on offer! And it all starts a day before Free Comic Book Day 2017 — May 6th — and the release of *Guardians of the Galaxy Vol. 2*!

ARGO AND THE JACK KIRBY CONNECTION

In 2012, Ben Affleck directed and starred in *Argo*, a dramatic retelling of the events that preceded and lead to the daring rescue of a group of American embassy workers in Iran, who are forced to hide in the Canadian embassy after their embassy was overrun. With the help of TwoMorrows Publishing, who bring us their Kirby centennial project **KIRBY 100**, we present some of the design work produced by Kirby that helped to get a team into the hostile country to rescue the embassy staffers. Sometimes the truth IS stranger than fiction!

LET'S ALL GO TO THE MOVIES!

There's something almost therapeutic about going to the movies. When all the stars align, and you find yourself at the "Perfect Movie": in a decent theater, with better-than-average projection and sound, an audience that's there to actually *watch* a movie (not just to text and visit with friends because there's nowhere else to go) and the one most important element… THE MOVIE.

FREE HUGS
GUARDIANS OF THE GALAXY

Let's face it… if the movie sucks, all of the other elements of that "perfect movie" equation go right out the window!

This month, ***PREVIEWS*** celebrates "Movie Month" with another great selection of Comics, Graphic Novels, and Merchandise based on movies which inspired their creation.

Up front (page 252), we have a short calendar of this summer's biggest tentpole films — like *Guardians of the Galaxy Vol. 2*, *Wonder Woman* and *Alien: Covenant* — along with great new publications and merchandise based on the films.

Throughout the issue, we've marked "Movie Month" products with our film frame icon, so you won't miss a single item!

MOVIE MONTH

Also in this issue (coming to you in the last week of April), we're giving you one last chance to get your Free Comic Book Day want-list in order before Saturday, May 6th. If you haven't done so already, please take this final opportunity to look over this year's great new FCBD offerings.

And finally, to close off this month's "Movie Month" issue, we've got a special look at Jack Kirby's groovy design work for the ill-fated film production of Roger Zelazny's Lord of Light. The film was never made, but Kirby's astonishing pop art work went on to save six American lives in 1980 in a CIA operation that was only declassified in 2007… the King never knew about "Argo", but we've got the story — about the artwork that tied the plan together, but was never shown in Ben Affleck's movie account of the story.

That's all for this month! We'll see you back here again for our first issue of Summer!

FINAL FANTASY VII

STATIC ARTS BUST: SEPHIROTH

Release: Sep 2017   SRP:$59.99   STL049155

Among the many FINAL FANTASY titles in the series, FINAL FANTASY VII is popular even to this day, with a hotly anticipated HD remake in development. We present you with a bust of Sephiroth, once praised as the strongest SOLDIER.

The wave of his hair, the slight twist in his torso, and the special effect as he activates Meteor, all create a sense of movement. The translucent parts in his silver hair and the paintwork of his subtle grin give this statue a realistic, almost eerie feel.

This bust reminds us of the Sephiroth that burned down the town of Nibelheim, in what would come to be infamously known as the Nibelheim Incident. This atrocity, set five years before the events of FINAL FANTASY VII, is perhaps at the root of everything that would follow.

He has been both a member of the X-Men as well as their antagonist. Dubbed the Master of Magnetism, Magneto has the ability to control nearly any metal. With our Marvel Universe Variant, we have placed importance on the figure's heft and hardness, in an effort to express his special abilities. His cape especially has been designed with magnetic forces in mind. With the concept of a collection of small iron sand and metal pieces pulled together by magnetic force serving as its inspiration. It adopts a unique texture that differs from a traditional cloth cape. The application of the paintwork creates a stark contrast between light and shadow to emphasize his weighty presence.

Figure includes display stand.

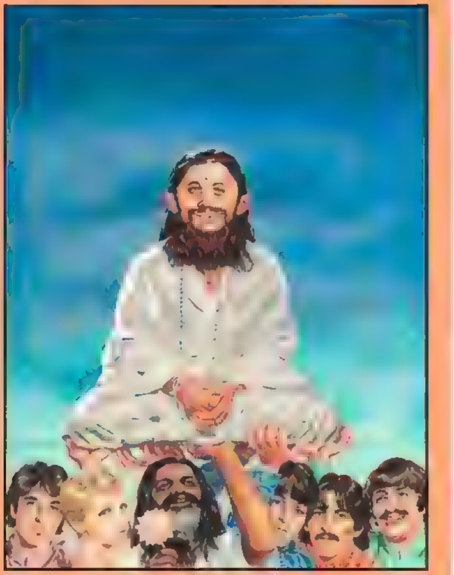
Where The Magic Of Collectibles Comes Alive!

Hake's Opens 50th Year with $1 Million Auction

Hake's Americana & Collectibles kicked off their 50th anniversary on a high note, reaching $1,061,373 in sales. The star of Auction #220 was Norman Mingo's original cover art for *MAD Magazine* (September 1968), which sold for $57,242. A spoof of the flower power era, the cover featured Alfred E. Neuman as a spiritual guru, held aloft by the Beatles in Sgt. Pepper uniforms with actress Mia Farrow and the Maharishi Mahesh Yogi.



Among the standout comic items was a JLA Tattoo Gum Fleer full display box that closed at $6,139, selling for over three times the low-end estimate. The 120 unopened packs in the box depict Batman, Superman, Wonder Woman, Flash, Green Arrow, and Green Lantern.

Detective Comics #33 Hits $150K at Metropolis

8.0
Detective Comics

A copy of *Detective Comics* #33 CGC 8.0 has reached the price of $150,000, a record for the grade, at New York City's Metropolis Collectibles. The most recent reported sale of a CGC-certified 8.0 sold in May 2015 for $83,650.

"*Detective* #33 is one of the most important early appearances of Batman, not only because of the odd appearance of a gun on his holster and a smoking gun in hand at the end of the story, but more importantly because this is his first origin being told," Metropolis COO Vincent Zurzolo said.

Dig Dug Turns 35

An arcade classic celebrates its 35th anniversary this year – *Dig Dug*. The game, originally released in April 1982, has been a mainstay of arcades since it first arrived thanks to its colorful gameplay.

Players took control of the titular character, who had to defeat a variety of monsters. They could be defeated by being blown up by an air pump, or by having rocks dropped on them. Something that even the most seasoned of players might not know is that in Japan, Dig Dug's name is Taizo Hori, and he's actually the father of the *Mr. Driller* protagonist, Susumu Hori – canonically connecting both series.

DAVID F. WALKER

EDGE ESSENTIALS

Pick up these books to learn more about David F. Walker's Indie Edge style!

- **Army of Doctor Moreau TP** (JAN150546)
- **Shaft: A Complicated Man** (AUG151323)
- **Superb #1** (See *Lion Forge* section, Page 390!)

Please tell us a bit about yourself!

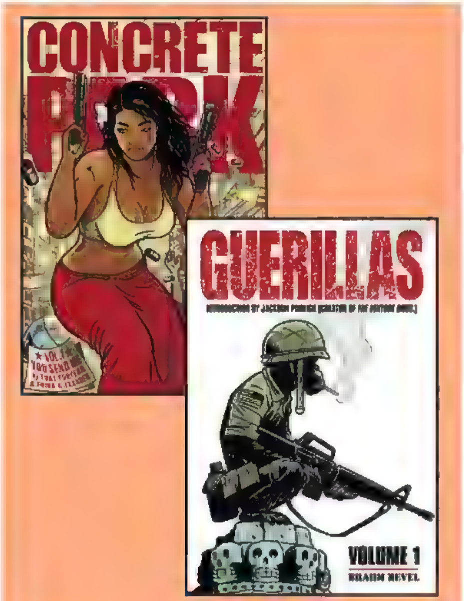
I've been reading comics ever since I was a little kid, and I probably spent *way* too much time watching movies and television. I was, and continue to be, a total *Planet of the Apes* nerd. I wrote and drew my own *POTA* stories when I was a kid, but sadly all that stuff is lost. I had wanted to work in comics, as an artist and writer, but I gave up in my early twenties, and ended up in journalism. In 2001, I interviewed Will Eisner for the newspaper where I worked as an editor and staff writer. He was impressed with my knowledge of comics, and when I told him that I always wanted to work in the industry, he told me to chase after my dreams. I decided to take his advice...

What are your favorite projects you've contributed to over the past decade?

I have a fondness for everything I've worked on, but there is a special place in my heart for *The Army of Dr. Moreau*, a creator-owned title I wrote a few years back. It is a project inspired by all the things I loved as a kid. I also really love the *Shaft* books I did for Dynamite — *Shaft: A Complicated Man, Shaft: Imitation of Life*, and *Shaft's Revenge*. Those represent my writing at its purest, and working with that character was a dream come true!

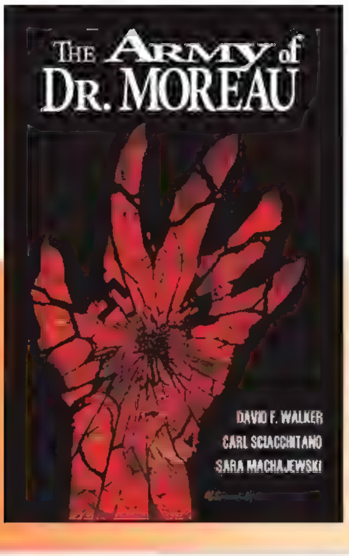
What are you currently working on?

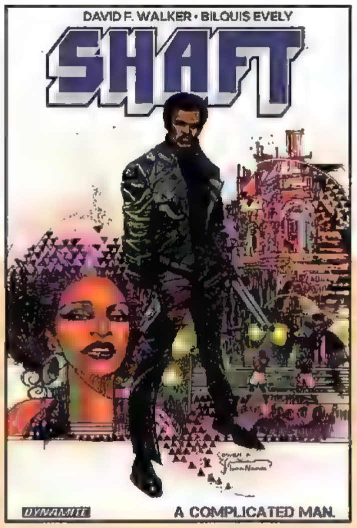
I'm writing *Luke Cage* and *Occupy Avengers* for Marvel, *War for the Planet of the Apes* for BOOM!, and I'm co-writing *Superb* for Lion Forge. There are a few other projects I can't talk about yet, including two creator-owned titles.



What fun titles are you reading?

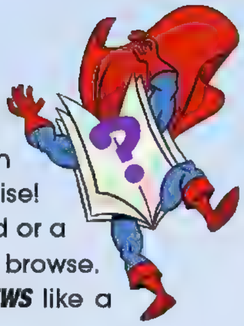
Amelia Cole (*Omnibus*/MAR170563) from IDW is a great series — I've been reading it since it started. I just read the most recent volume of Brahm Revel's *Guerillas* (*Vol. 1*/JUL101090) from Oni Press, which is a brilliant, underrated series. Dark Horse's *Concrete Park* (*Vol. 1 HC*/JUN140040) by Tony Puryear and Erika Alexander is incredible.





Learn How to Use *PREVIEWS* to Order From Your Comic Shop!

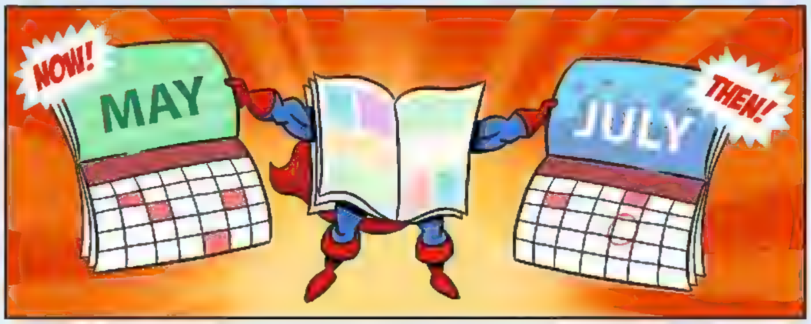
USER'S GUIDE



There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.



NOW!
MAY
JULY
THEN!

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later** (or more). For example, if you found a comic you wanted in the May issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

What's Cool in this Month's Catalog!

MAY 2017 | Edited By: **Allyn Gibson** | editor@*PREVIEWS*world.com

A NEW ERA BEGINS FOR THE ASTONISHING X-MEN

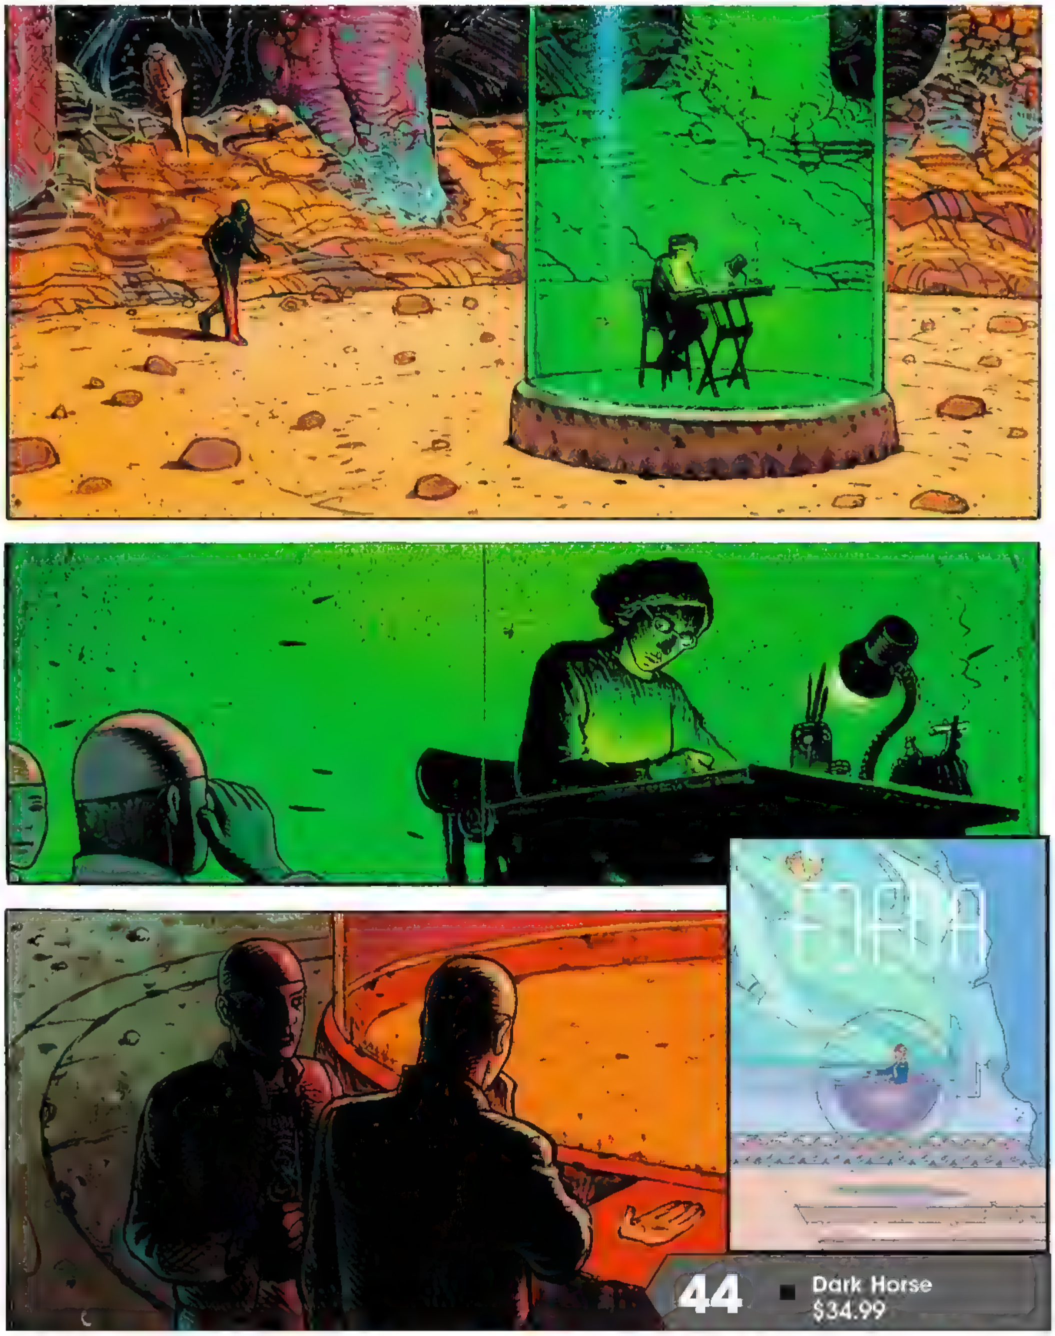
A new era has dawned for the X-Men. After living in the shadows of the deadly Terrigen Mists clouds and battling the Inhumans with their survival at stake, the worlds mutants are once again able to live openly, and the X-Men are reasserting themselves as some of the premier heroes of the Marvel Universe. This July, a new team of X-Men, featuring some of the most recognized and popular mutants, forms to battle an enemy that threatens them all in Charles Soule and Jim Cheung's *Astonishing X-Men!*

Someone is targeting and killing the world's psychic mutants. To uncover the mysterious foe, a group of mutants form a new X-Men team – the Astonishing X-Men – to bring the enemy to justice. Old Man Logan, Psylocke, Mystique, Fantomex, Bishop, Archangel, Rogue, and Gambit band together and follow the mystery where it leads them, to a shocking mastermind behind the psychic murders.

Charles Soule, the writer of *Death of Wolverine* and co-writer of *Inhumans vs. X-Men*, joins forces with acclaimed artist Jim Cheung for the character-driven and world-spanning adventure of *Astonishing X-Men*. A perfect jumping-on point for new readers and an exciting new direction for long-time fans, *Astonishing X-Men* will be an action-packed epic starring some of Marvel's most popular mutants.

Arriving in stores this July, Soule and Cheung's *Astonishing X-Men* kicks off an exciting, unmissable new chapter in the storied adventures of Marvel Comics' mightiest mutants that no fan can afford to miss!

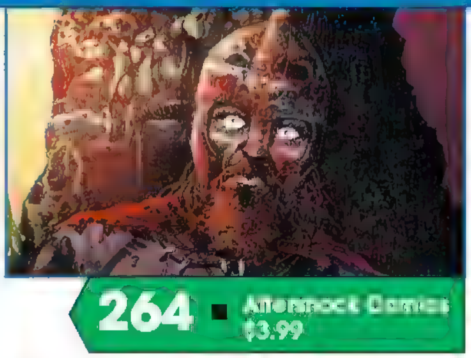
CHARLES SOULE AND JIM CHEUNG BRING THE ASTONISHING X-MEN TOGETHER FOR AN EPIC NEW RUN!



STUDY THE ART OF A MASTER IN *THE ART OF EDENA*

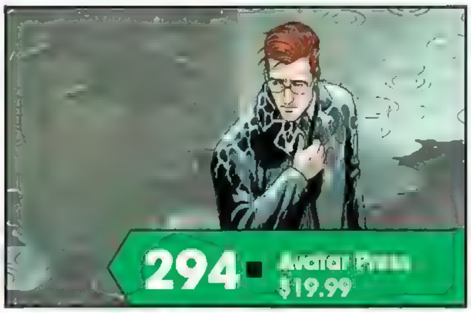
Moebius is an art legend, one who artists around the world have taken inspiration from for decades, one whose fans have eagerly sought out his work to savor. Dark Horse Horse is bringing Moebius' work, including rare and out-of-print stories, to a new and wider audience with their new Moebius Library collection. The second volume in the collection, *Moebius Library: The Art of Edena*, arrives in stores this autumn.

A companion to the best-selling *World of Edena* graphic novel, *The Art of Edena* explores the importance of the Edena universe in Moebius' oeuvre by reprinting four short stories as well as sketches, promotional materials, and other artworks. An important addition to any Moebius fan's library, Dark Horse comics' *Moebius Library: The Art of Edena* reveals the artistry of one of the true masters of the graphic novel!



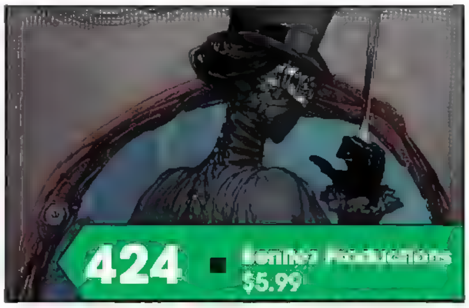
KING ARTHUR LIVES AGAIN IN AFTERSHOCK'S *UNHOLY GRAIL*

The familiar legend of King Arthur is reimagined as a tale of horror, obsession, and an unquenchable thirst for power in Cullen Bunn and Mirko Golak's new series, *Unholy Grail* from Aftershock Comics!



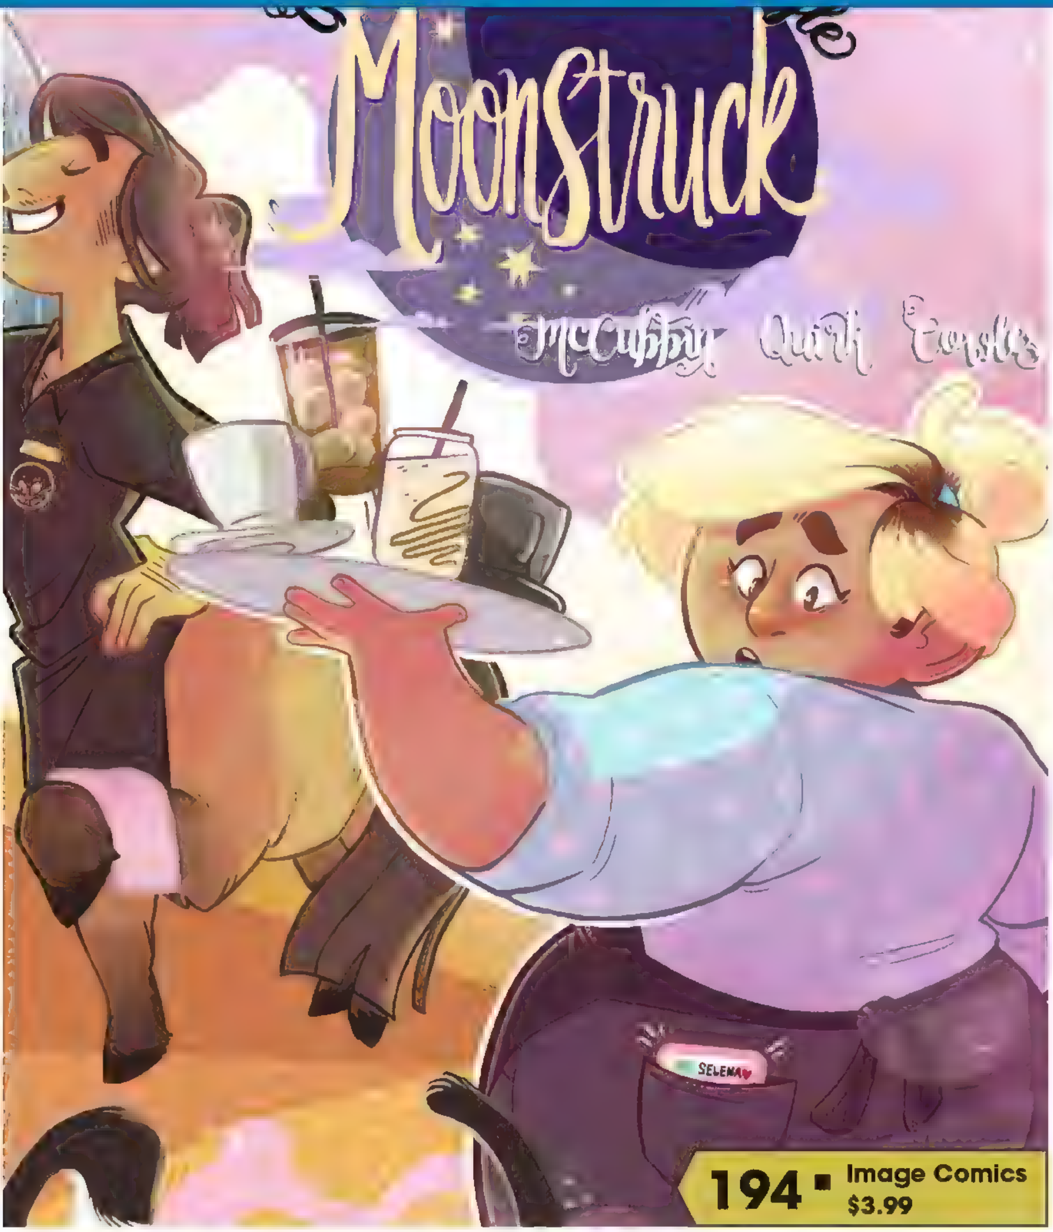
AVATAR EXPLORES THE ART OF JACEN BURROWS IN *DREADFUL BEAUTY*

Jacan Burrows' long collaboration with Alan Moore at Avatar Press is explored in *Dreadful Beauty: The Art of Providence*, a new artbook that looks at the making of the Lovecraftian mini-series with sketches, covers, pages, and more!



RETURN TO THE THE STEAMPUNK WORLD OF *LADY MECHANIKA*

Joe Benitez's *Lady Mechanika*, drawing on the worlds of steampunk and super-heroes, has firmly established itself with a strong and growing audience, and this summer it returns with a new series, *Lady Mechanika: The Clockwork Assassin!*



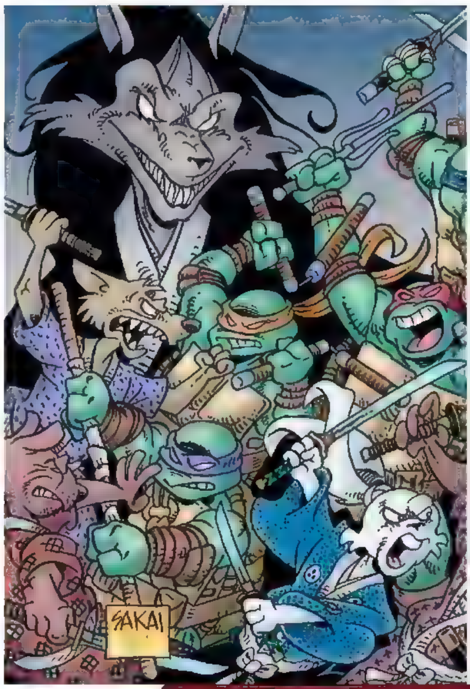
194 ■ Image Comics
$3.99

LUMBERJANES' GRACE ELLIS IS *MOONSTRUCK* IN HER NEW IMAGE SERIES

Magical creatures live among humans. Embraced by the world, one might see minotaurs playing football, fauns as part of a dramatic troupe, even centaurs working as delivery boys in Manhattan. Grace Ellis, the creator of *Lumberjanes*, takes readers into such a world in her new fantasy from Image Comics, *Moonstruck*.

One such magical creature is Julie. She leads an ordinary life, working as a barrista in a coffee shop, trying to make things work with her girlfriend, and avoiding turning into a werewolf when she gets angry! But there's more to Julie's world than she suspects when she and her best friend Chet, a centaur, are drawn into a mystery that goes to the heart of human-creature relations!

Joined by artist Shae Beagle, Grace Ellis' *Moonstruck* is a magical fantasy about ordinary monsters leading everyday lives. Plus, the first story arc has a back-up illustrated by Kath Leth! Discover the magic of *Moonstruck* this July!



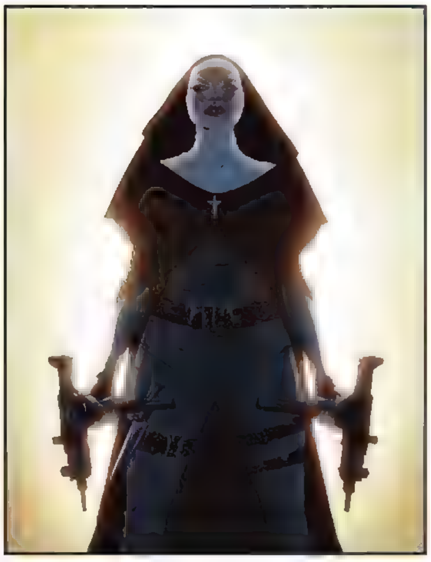
154 ■ IDW Publishing
$7.99

CLASSIC INDIE COMICS CHARACTERS MEET IN IDW'S NEW CROSSOVER

Two legends of indie comics – Stan Sakai's Usagi Yojimbo and Eastman and Laird's Teenage Mutant Ninja Turtles – meet this summer for an epic adventure in the *Teenage Mutant Ninja Turtles/Usagi Yojimbo* one-shot published by IDW Publishing and co-produced with Dark Horse Comics!

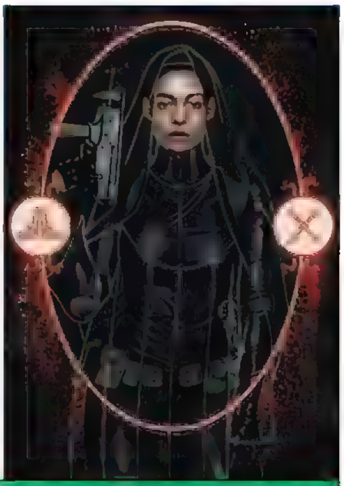
Sent back in time to Edo-era Japan, the Turtles soon encounter a sword-wielding samurai rabbit, and together they embark on quest to save Japan from the forces of evil! Swords and shurikens will fly!

Written and drawn by Stan Sakai, IDW Publishing's *Teenage Mutant Ninja Turtles/ Usagi Yojimbo* is a gorgeous new addition to the sagas of the samurai rabbit and the pizza-loving Turtles. Collectors will also be interested in the expanded hardcover edition that comes with 24 additional pages of layouts, pin-ups, character studies, and more!



KURT SUTTER UNLEASHES THE SISTERS OF SORROW

In the City of Angels, four women operate a women's shelter, giving abused and homeless women a safe roof for the night, a place where they can feel secure and get their lives back together. At night, the women don nuns' habits and dispense a brutal and bloody justice on the city streets, avenging the homeless and abused women they protect by day. *Sons of Anarchy*'s Kurt Sutter returns to comics, alongside cowriter Courtney Alameda and artist Hyeenjin Kim, in BOOM! Studios' *Sisters of Sorrow*, a powerful new series about justice and the ends to which some will pursue it!



308 ■ **BOOM! Studios**
$3.99

TITAN COMICS' *THE DEATH OF STALIN* EXPLORES A CRITICAL MOMENT IN COLD WAR HISTORY

Armando Iannucci has taken television audiences into the halls of power, first into the workings of the British cabinet in *The Thick of It*, then into the White House itself in *Veep*. This summer, he takes audiences into the Kremlin in his film *The Death of Stalin*, based on the acclaimed French graphic novel by Fabien Nury. Focusing on the two days surrounding Stalin's fatal stroke and the struggle for power at the heart of the Soviet regime in the early days of the Cold War, Nury's *The Death of Stalin* comes to English-speaking audiences in a new translation from Titan Comics. Read the acclaimed graphic novel before seeing Iannucci's new film!

424 ■ **Titan Comics**

HARMONY GOLD'S CULT 80S TV SERIES, *ROBOTECH* RETURNS FOR ALL-NEW ADVENTURES!

FEATURED ITEM

Starting this July, New York Times best-selling writer Brian Wood (*DMZ, Briggs Land, Northlanders*) is coming aboard to helm an all-new *Robotech* comic series based on the influential anime from Harmony Gold USA.

First airing in 1985, *Robotech* was the gateway to anime for numerous fans – capturing imaginations with its multi-generational storyline which depicted humanity's struggle against a series of alien invaders, who are all battling for control of an advanced alien technology that has crash-landed on Earth.

Robotech fans continue to be passionate supporters of this amazing cult franchise – and a spectacular live-action movie with director James Wan (*Aquaman, Furious 7*) is currently in development at Sony.

We sat down with Brian Wood to share his *Robotech* memories, and discuss his approach to the new series.

BRIAN WOOD - WRITER, *ROBOTECH*

When and where did you first encounter *Robotech*?
It was as a kid growing up in Vermont. The American version of the show was on really early on Saturday and Sunday mornings, early enough that I had to make a deliberate effort to be awake for it.
I have very clear memories of being half-awake, messing with the antenna trying to get a decent picture while the *Robotech* theme music played.
After that, I'd look for *Robotech* anything where I could, which was limited where I grew up. I had a few issues of the Comico comic series, and a great book called *The Art Of Robotech*.

What was it about the series that stood out to you?
There's a lot of answers I could give to that question, but one that strikes me as the most important is that my older sister would wake up and come downstairs to watch it with me. She's five years older than I am, probably in her early teens at the time, and why on earth would a teenage girl wake up at 5am or whatever it was on a weekend to watch robot cartoons with her little brother?
That's stuck with me my entire life, the fact that the characters and the drama was compelling enough for me and for her, even though we were very different types of people.

How have you approached your take on the series?
This is where my obvious reverence for the original material comes up against what I think is the smartest thing to do with this series, which is to aggressively modernize it and streamline it.
I love the show, I just re-watched the whole thing, but there's no getting around the fact its dated, and not everything in it ages so well (although I admit a lot of it was ahead of its time).
Robotech has received direct adaptations in comics before, but its not been modernized like we're doing it now. If you think of the new JJ Abrams' *Star Trek* as an example of a way to honor something and also update it, that's the approach we're talking.

Do you have a favourite character or person you relate to more?
Character-wise, its always been Roy and Claudia for me. I can relate to Lisa in some ways, I like her stern, follow the rules style. Beyond the characters, I love the ship designs, the Veritech designs, and the fast-paced style of the combat in the show - the winding, snaking missiles, Roy's Skull-1 tail art, and the genuineness of the relationships.

Looking ahead, what can you tease readers with?
Beyond what I've said, there may be some new elements we're introducing that were not in the original show, but what I think the main draw here is how we're aiming to capture two audiences - the existing fans, and any other people who either don't know where to start with *Robotech*, or maybe aren't interested in it because the old episodes seem dated. I want to share this with everyone.

DRAW YOUR OWN HERO CONTEST WINNERS!

DRAW YOUR OWN HERO!

Back in our January issue #340, we celebrated our annual “How To Draw” month theme, and added a little contest to the festivities called: DRAW YOUR OWN HERO!

We asked you, our ***PREVIEWS*** readers, to create your own original superhero character, and then Tweet your entry to us for a chance to not only win some great How to Draw books, but to get your artwork displayed for all to see in the pages of ***PREVIEWS***!

Well, the entries have been judged, the prizes distributed, and all that’s left to do is give our five winners their bid at immortality in print! So here they are, in no particular order, ’cause when it comes to expressing yourself through art, there’s no First Place or Last Place, just a bunch of winners!

THANKS TO EVERYONE WHO ENTERED! JOIN US AGAIN NEXT YEAR FOR ANOTHER HOW TO DRAW MONTH, AND MAYBE ANOTHER CHANCE AT ARTISTIC IMMORTALITY!

MEET THE GUARDIANS OF THE GALAXY WITH NEW DIORAMAS 522

The summer movie season kicks off with the highly-anticipated *Guardians of the Galaxy Vol. 2*, the sequel to Marvel Studios' space opera smash hit, and Diamond Select Toys brings fans three new dioramas of the space-borne heroes! The *Marvel Gallery: Guardians of the Galaxy Vol. 2 Movie PVC Dioramas* are sculpted by Rocca Tartamella and depicts the Guardians in action. Choose from Star-Lord, Gamora and Rocket Raccoon, or Drax and Groot!

VENOM IS UNLEASHED WITH A NEW KOTOBUKIYA STATUE 572

Kotobukiya's line-up of Spider-Man family statues continues this October with a new statue featuring none other than the alien symbiote Venom! Based on his return in the best-selling Marvel Now! series, Venom displays a chilling black-and-white visage, his face split by an inhuman grin and an alien tongue. The *Marvel Now!: Venom ArtFX+ Statue* is sculpted at 1/10-scale and is perfect for displaying on its own or alongside other Spider-Man statues!

THE WOLVERINE OF THE FUTURE JOINS MEZCO'S ONE-12 COLLECTIVE 555

Debuting in an acclaimed storyline by Mark Millar and Steve McNiven, Old Man Logan is the Wolverine of a barren, dystopian future, aged and scarred from many battles, who seeks a quiet life on a farm with his family, but who is drawn into a battle he never wanted. Mezco brings this aged and weathered character to their action figure line with the *One-12 Collective: Old Man Logan Action Figure*, a 6" tall action figure that depicts the weary mutant warrior!

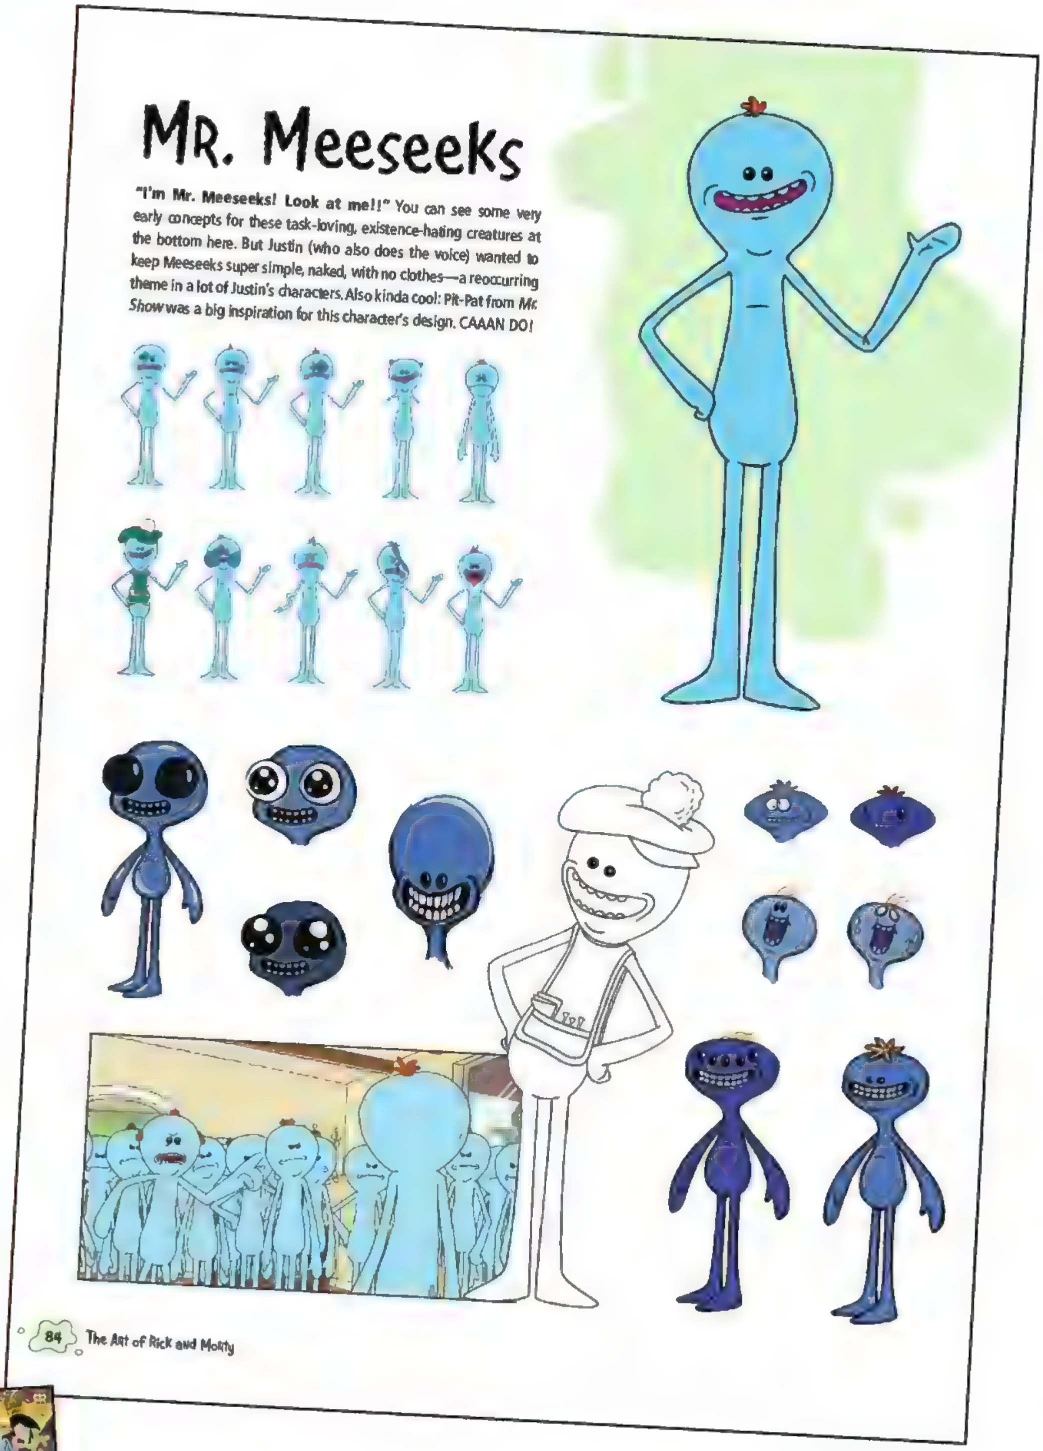
The animated science-fiction adventures seen in *Rick and Morty* are irreverent, shocking, and hilarious—from the cynical and rapid-fire one-liners to the grotesque and endearing character designs. Now, take a deep transdimensional dive into the creation of these many insane universes with *The Art of Rick and Morty*!

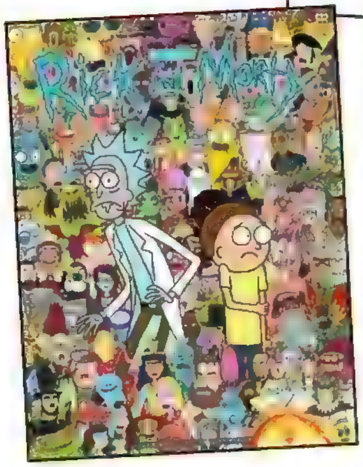
- **Exclusive never-before-seen concept and production art from the making of the hit animated series!**



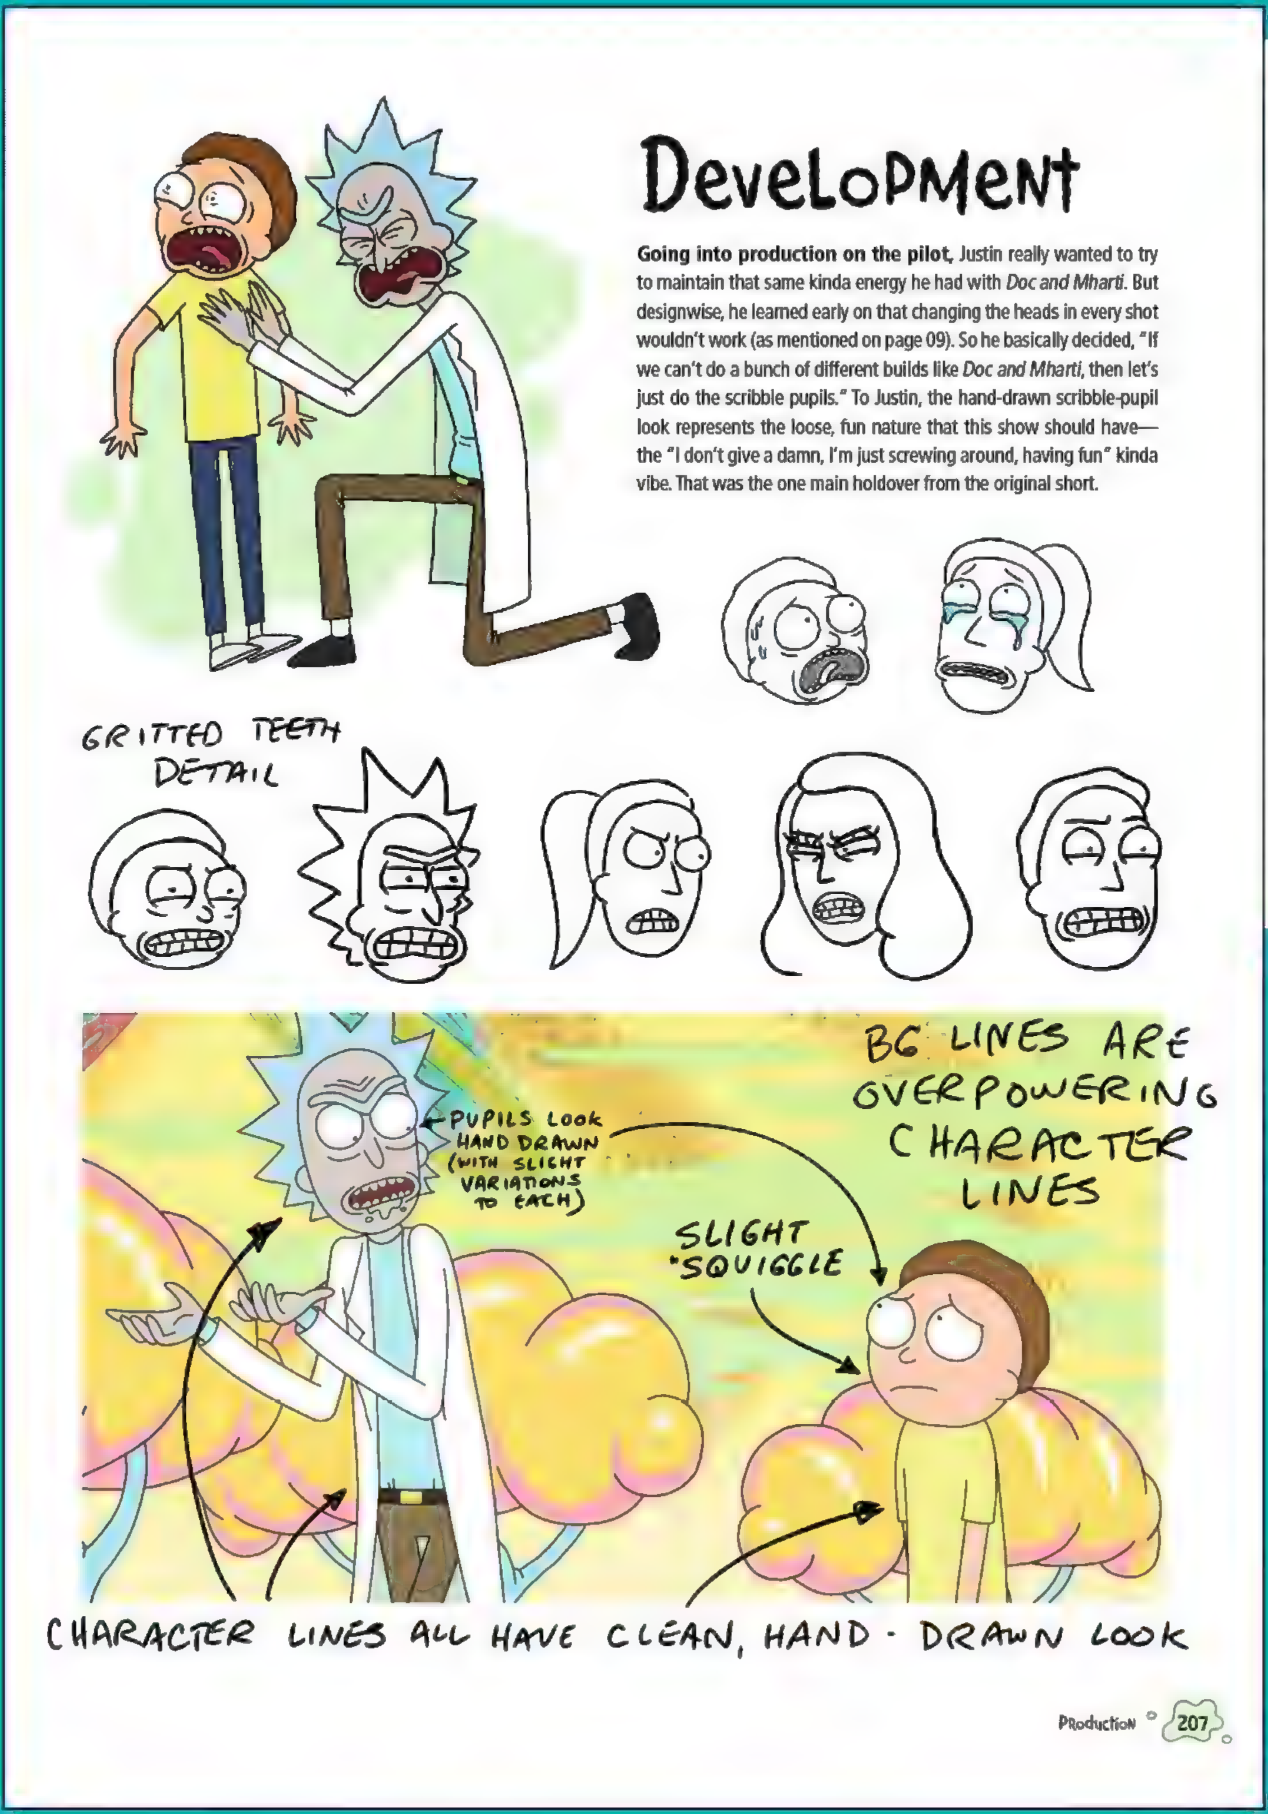
Mr. Meeseeks

"I'm Mr. Meeseeks! Look at me!!" You can see some very early concepts for these task-loving, existence-hating creatures at the bottom here. But Justin (who also does the voice) wanted to keep Meeseeks super simple, naked, with no clothes—a reoccurring theme in a lot of Justin's characters. Also kinda cool: Pit-Pat from *Mr. Show* was a big inspiration for this character's design. CAAAN DO!

84 The Art of Rick and Morty



WHOA, ART BOOK!
WUBBA LUBBA DUB-DUB!



Development

Going into production on the pilot, Justin really wanted to try to maintain that same kinda energy he had with *Doc and Mharti*. But designwise, he learned early on that changing the heads in every shot wouldn't work (as mentioned on page 09). So he basically decided, "If we can't do a bunch of different builds like *Doc and Mharti*, then let's just do the scribble pupils." To Justin, the hand-drawn scribble-pupil look represents the loose, fun nature that this show should have—the "I don't give a damn, I'm just screwing around, having fun" kinda vibe. That was the one main holdover from the original short.

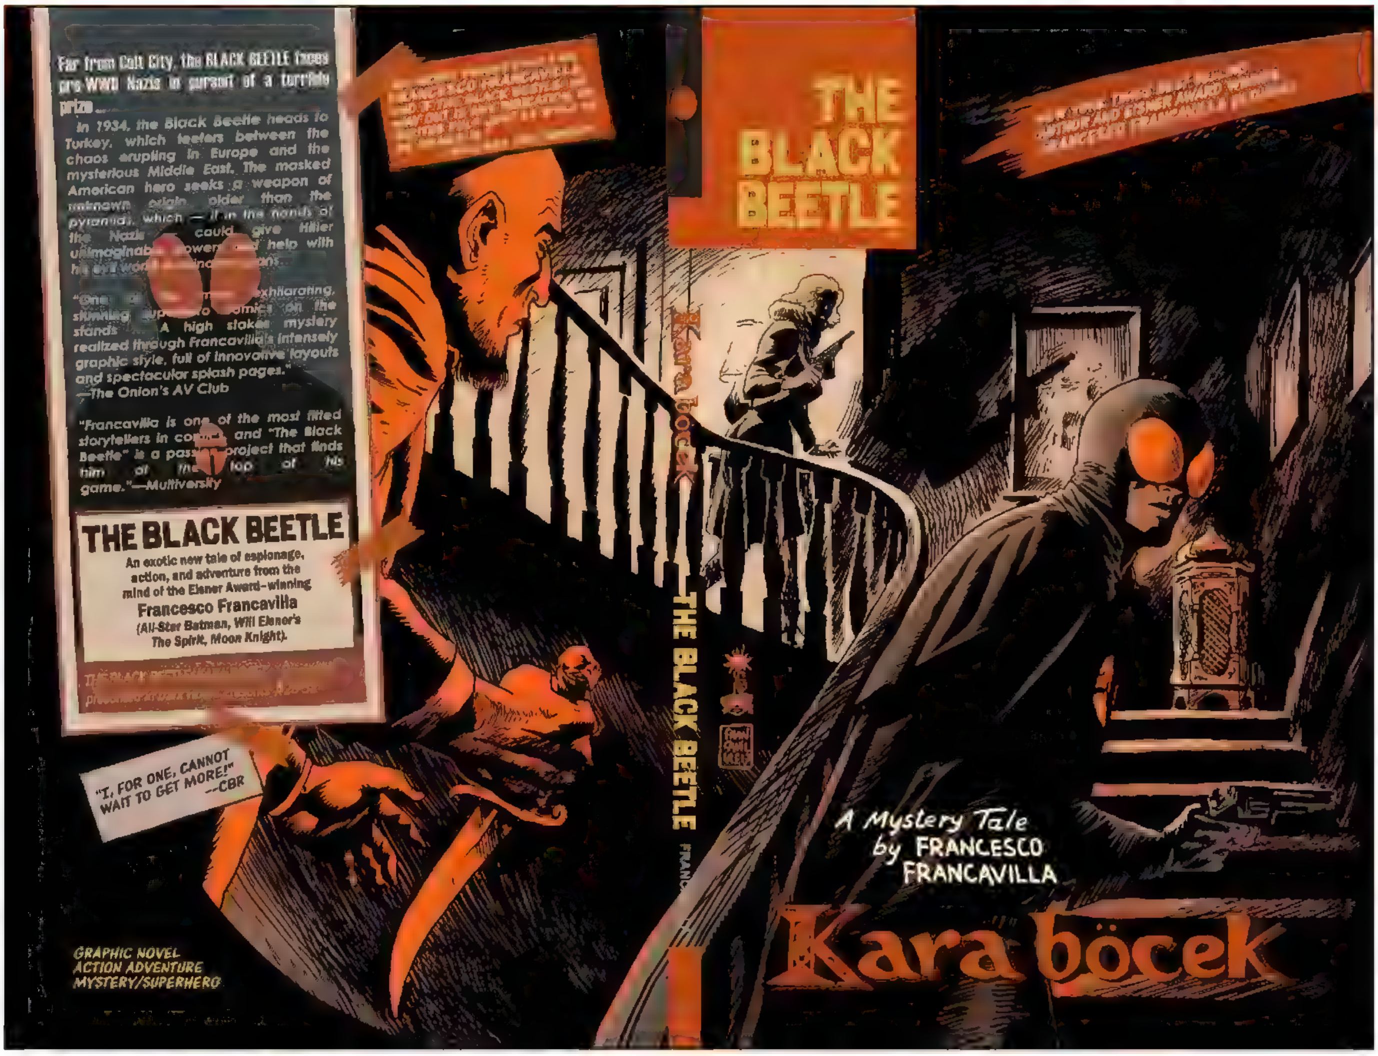
FRANCESCO FRANCAVILLA!



Far from Colt City, the BLACK BEETLE faces pre-WWII Nazis in pursuit of a terrible prize...
In 1934, the Black Beetle heads to Turkey, which teeters between the chaos erupting in Europe and the mysterious Middle East. The masked American hero seeks a weapon of unknown origin, older than the pyramids, which — if in the hands of the Nazis — could give Hitler unimaginable power and help with his evil world domination plans...
"One of the most exhilarating, stunning superhero comics on the stands... A high stakes mystery realized through Francavilla's intensely graphic style, full of innovative layouts and spectacular splash pages." —The Onion's AV Club
"Francavilla is one of the most gifted storytellers in comics, and "The Black Beetle" is a passion project that finds him at the top of his game."—Multiversity
THE BLACK BEETLE

JON SNOW "BATTLE OF THE BASTARDS" LIMITED EDITION BUST

On sale August 23
Measures 6" from base to the top of his head, plus sword extension
$89.99

The pulse-pounding climax of the most recent HBO season of *Game of Thrones* was the "Battle of the Bastards," where Jon Snow faces off in a life-or-death struggle with evil Ramsay Bolton—considered one of the most ambitious and elaborately choreographed battles ever staged for filmed entertainment. A key moment is when Jon prepares for his last stand by drawing his sword Longclaw and facing the Bolton army seemingly alone. This is the moment sculptor Dave Cortes and his studio capture.

This prepainted bust measures 6" from the base to the top of his head, plus sword extension. Edition size TBD at press time. Full-color deluxe packaging with a certificate of authenticity.

BATMAN '66 MEETS THE LEGION OF SUPER-HEROES #1

Written by LEE ALLRED • Art and cover by MICHAEL ALLRED

In pursuit of the time-traveling criminal known as Universo, the super-powered kids from the 30th century travel back to the 1960s to enlist the aid of the "greatest teen superhero ever"—Robin, the Boy Wonder! But Batman's hard-boiled nemesis Egghead has stolen one of their unattended time bubbles and taken off to the Legion's own time period. Looks like Batman has to head to the far-flung future with one group of heroes while Robin stays in the swinging sixties with another. Holy time-travel paradox!

THE USUAL GANG OF IDIOTS

MAD DUMPS ON TRUMP: A BRILLIANT LOOK AT OUR BRAINLESS PRESIDENT is an all-out comedy assault on the most idiotic idiot to ever reach the White House (George W. Bush and visitors included)! In these 128 pages, President Trump is mercilessly mocked, relentlessly ridiculed and savagely satirized. The book features MAD's sharpest satiric shots at "The Donald," comically chronicling his rise from obnoxious businessman to really obnoxious reality show host to uber obnoxious "Commander-in-Tweet." Please note: MAD will not offer refunds on this book when Trump is impeached!

This title also includes a new introduction by CNN's Jake Tapper!

AMERICAN WAY: THOSE ABOVE AND THOSE BELOW #1

Written by JOHN RIDLEY • Art and cover by GEORGES JEANTY

It's been a decade since the Civil Defense Corps was exposed as a fraud created by the U.S. Government for propaganda purposes. While most of the heroes who survived the catastrophe have retired or disappeared, the New American still carries on, trying to keep communities safe amid the social turmoil of the 1970s. But with the nation split in two over civil rights and the changing political landscape, this isn't easy. Some of the American's former colleagues are on opposite sides of the law: Amber Waves joined a group of domestic terrorists, while Missy, a.k.a. Ole Miss, has thrown her hat into the political ring. As the ground shifts beneath his feet and new threats arise, which side will the American choose?

This sequel to the hit miniseries by the original team of writer John Ridley (Oscar-winning screenwriter of *12 Years a Slave* and creator of TV's *American Crime*) and artist Georges Jeanty (*Buffy the Vampire Slayer: Season Eight*, *Serenity: No Power in the 'Verse*) moves the story forward in history, factoring in how real-life events might be affected by the presence of superheroes, and how those events change the heroes in turn.

TMNT CO-CREATOR KEVIN EASTMAN INTERVIEWS USAGI YOJIMBO CREATOR STAN SAKAI

Kevin Eastman:
I'm curious, what was the inspiration—spark if you will—that made you decide to jump in and pursue a career as a cartoonist?

Stan Sakai:
I grew up reading comic books. For me, they appeared magically on the shelves every week, and I never thought about the people who created them. I met some like-minded friends in junior high and we started talking about the writers and artists and their different styles. That was when the light bulb clicked on for me and I wanted to become one of those guys that created comics.

Kevin Eastman:
For me, Jack Kirby and his character Kamandi is the creator and creation that locked it in for me, was there one specific artist or character you gravitated to?

Stan Sakai:
For me, it was Steve Ditko during his Spider-Man and Dr Strange tenure. Kirby had the raw power, but Ditko had a grace and a unique twist to his art.

Kevin Eastman:
There have been many different TMNT Universes over the years, any specific challenges you had to overcome for a story placed in the IDW TMNT comic universe?

Stan Sakai:
There are nuances to the characters that I did not know, such as these Turtles don't have tails. However, editor Bobby Curnow has been guiding me along nicely. Basically, these are not the Turtles that Usagi had met before. New relationships have to be established and suspicions overcome. Michelangelo is the only one of them who speaks Japanese, so I had to figure a way around that so they could all communicate. Leo has always been my favorite and there is a fight scene between him and Usagi that I had a lot of fun drawing. There is one panel that is particularly nice—a double-double page spread. Four pages, when connected together, comprise one long spread with all the Turtles and Usagi against the villain Jei and his men, during an earthquake no less.

Kevin Eastman:
The incredible and truly inspiring volume of stories you've taken Usagi through over three (plus) decades has been a wonderful journey for all of us to ride along with you. Any upcoming adventures you have in mind you can tease us with?

Stan Sakai
I'm continuing with Usagi and slowly introducing foreigners and the concept of a new religion into his world. Other than that, there are the usual samurai action, monsters from folklore and stories revolving around Japanese culture and history.

I've had a blast reuniting the TMNT and Usagi again. Besides the comic, they will be featured in a three-part episode arc in Nickelodeon's 'Tales of the Teenage Mutant Ninja Turtles' in July.

RICHARD STARK'S PARKER: THE SCORE

writer **Richard Stark, Darwyn Cooke**

artist **Darwyn Cooke**

"The Score" is a high-octane trip across America, as Parker assembles a dozen of the best caper men he can find to knock over his most audacious target yet: an entire town. They scheme, they prepare, and they execute with military precision unaware that the whole thing is about to blow up in their faces. Long considered a high watermark in the Parker series, this new graphic adaptation brings the original to violent, double-crossing life.

CORTO MALTESE: FABLE OF VENICE

writer/artist **Hugo Pratt**

In this affectionate tribute to his hometown, **Hugo Pratt** offers a complex mystery thriller involving Freemasons, occultists, and esotericists set during the rise of Fascism in 1921. Corto Maltese's return to Venice is ostensibly a search for an emerald known as the Clavicle of Solomon, but by the end he is left questioning whether the object of his quest will open the hidden doors of magic and unravel the nature of time and space in this city of secrets… or if it's merely "the stuff that dreams are made of," as was the black bird of Dashiell Hammett's novel featuring another Maltese.

In this original graphic novel, the last time that the rock group Tricky Fingers found themselves in the same spot was eighteen years ago for a concert in the BBC studios that was supposed to launch their career... but instead ended in catastrophe. Since then, this group of friends that once harbored dreams of revolutionizing rock has parted ways, most drifting into musical obscurity. Except Sandro. His initiative brings the group together for the weekend to find out where life has taken them. How their fortunes have faired. To see if they've learned anything since they were teenagers.

BEHIND YOU: ONE-SHOT HORROR STORIES

writer/artist/cover **Brian Coldrick**

Certified Cool

A twisted figure crawling out of a tunnel. A giggling crowd of masked watchers. A reassembling corpse. What could be behind you, just waiting for you to turn around?

Behind You is an illustration series, a comic with no panels, where each piece is essentially a separate story. Each tale is one image and one piece of text; an unsuspecting victim with someone, or something, behind them. Entries range from the amusingly weird to the genuinely unsettling. Inspired by spooky films, books, myths, and Internet tall tales, *Behind You* is full of scary set-ups but leaves lots of blanks for the reader to fill in with their own narrative.

Walt Disney's
CHRISTMAS CLASSICS

A delightful book for Disney fans of all ages. The Disney Christmas newspaper strip debuted in 1960 with **"Peter Pan's Christmas Story,"** in which Captain Hook tries to sabotage Christmas. It was such a success that new stories were created yearly, each self-contained, each featuring characters from another animated movie, and each leading up to Christmas Eve and Santa off to deliver his presents. The "Disney-villain-wants-to-spoil-Christmas" plot was exploited with inventive variations each year. Stories include **"Cruella's Very Furry Christmas," "Snow White's Christmas Surprise," "Dumbo and the Christmas Mystery," "Cinderella's Christmas Party," "The Three Little Pigs' Christmas Story,"** and many more. All 28 special holiday stories are collected in a book for the first time.

A NEW ONGOING SERIES from **Lumberjanes** creator **GRACE ELLIS** and talented newcomer **SHAE BEAGLE** that tells a story of monsters, romance, and magical hijinks! The first arc also includes an additional short story with artist **KATE LETH**!

Fantasy creatures are living typical, unremarkable lives alongside humans, and barista Julie strives to be the most unremarkable of all. Normal job, normal almost-girlfriend, normal... werewolf transformations that happen when she gets upset? Yikes!

But all bets are off when she and her centaur best friend Chet find themselves in the middle of a magical conspiracy. Will Julie and Chet be able to save their friends? Is Julie's dogged determination to be normal a lost cause? Who's going to watch the coffee shop while our heroes are out saving the world?? These questions and more will be answered in **MOONSTRUCK**, coming July 19 from Image Comics.

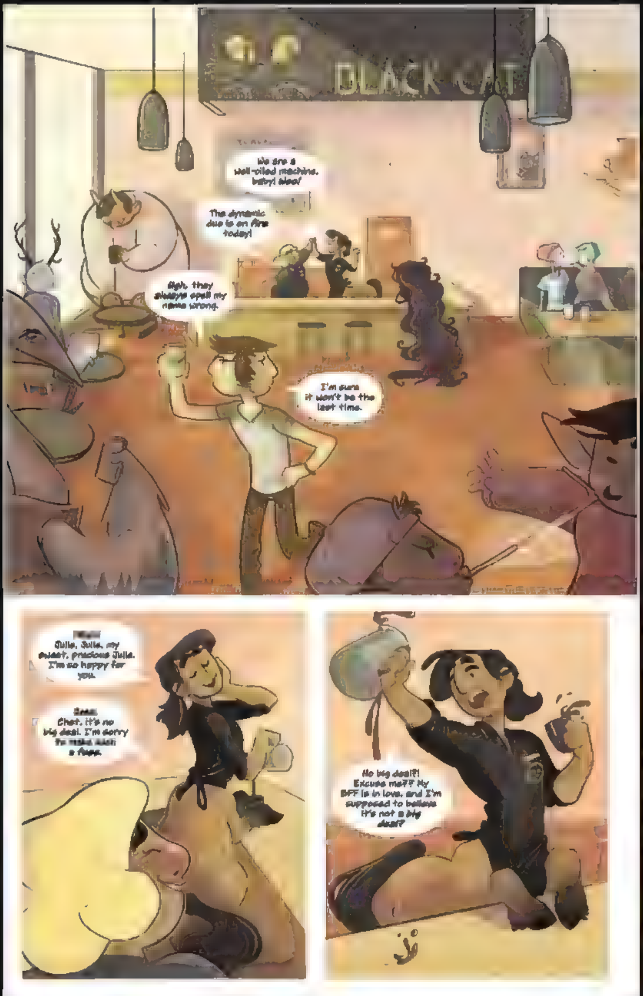
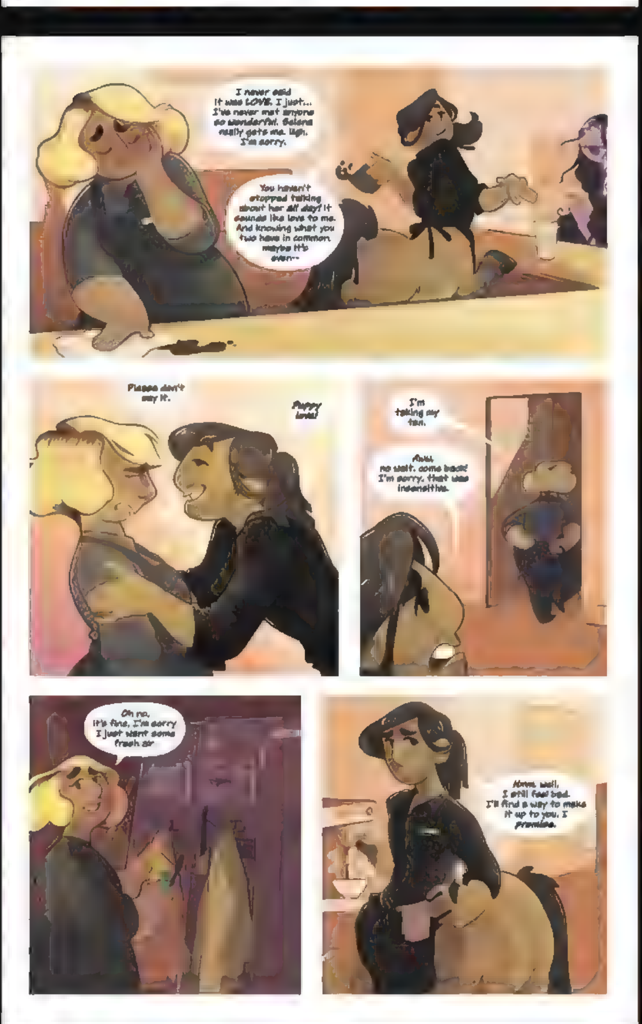
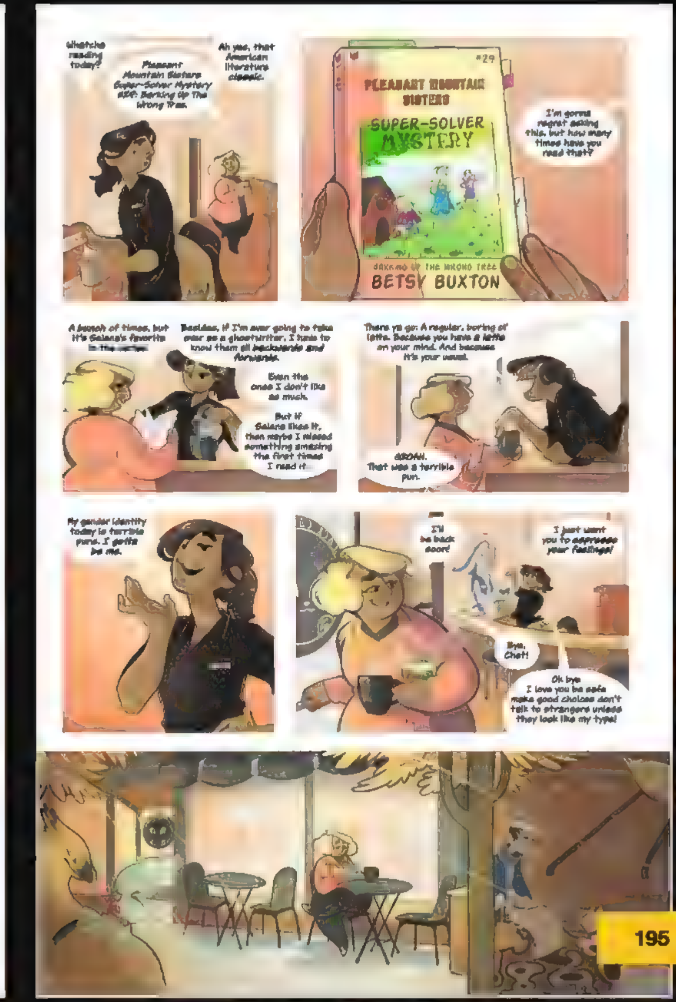
She's perfect.
Nobody's perfect.
I'm telling you, this girl is. She's so smart and cute and funny and nice!
You've been on one date!
She even loves the Pleasant Mountain Sisters books!
Ok, now that is definitely a sign.
I have a double-shot cappuccino at the bar for Janis!
Hey, can you hand me a clean mug, please?
Oh no! Sorry!
Got it!



BLACK CAT
We are a well-oiled machine, baby! Woo!
The dynamic duo is on fire today!
Ugh, they always spell my name wrong.
I'm sure it won't be the last time.
Julie, Julie, my sweet, precious Julie. I'm so happy for you.
Jeez. Chet, it's no big deal. I'm sorry to make such a fuss.
No big deal?! Excuse me?? My BFF is in love, and I'm supposed to believe it's not a big deal?



I never said it was LOVE. I just... I've never met anyone so wonderful. Selena really gets me. Ugh. I'm sorry.
You haven't stopped talking about her all day! It sounds like love to me. And knowing what you two have in common, maybe it's even--
Please don't say it.
Puppy love!
I'm taking my ten.
Aww, no wait, come back! I'm sorry, that was insensitive.
Oh no, it's fine, I'm sorry I just want some fresh air.
Hmm, well, I still feel bad. I'll find a way to make it up to you. I promise.



Whatcha reading today?

BARKING UP THE WRONG TREE
BETSY BUXTON
I'm gonna regret asking this, but how many times have you read that?
A bunch of times, but it's Selena's favorite in the series.
Besides, if I'm ever going to take over as a ghostwriter, I have to know them all backwards and forwards.
Even the ones I don't like as much.
But if Selena likes it, then maybe I missed something amazing the first times I read it...
There ya go: A regular, boring ol' latte. Because you have a latte on your mind. And because it's your usual.
GROAN. That was a terrible pun.
My gender identity today is terrible puns. I gotta be me.
I'll be back soon!
I just want you to express your feelings!
Bye, Chet!
Ok bye I love you be safe make good choices don't talk to strangers unless they look like my type!

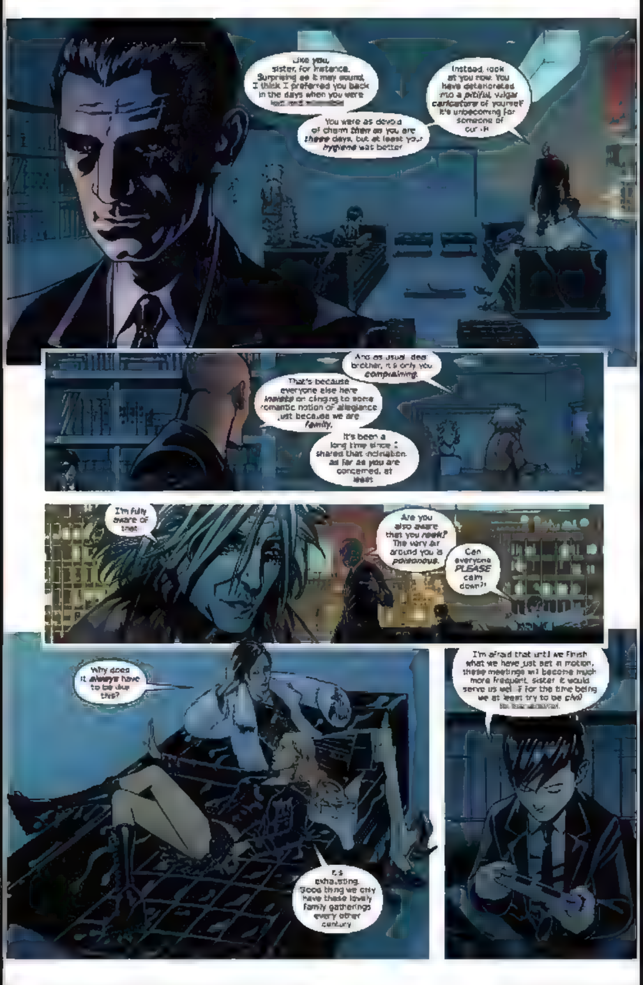
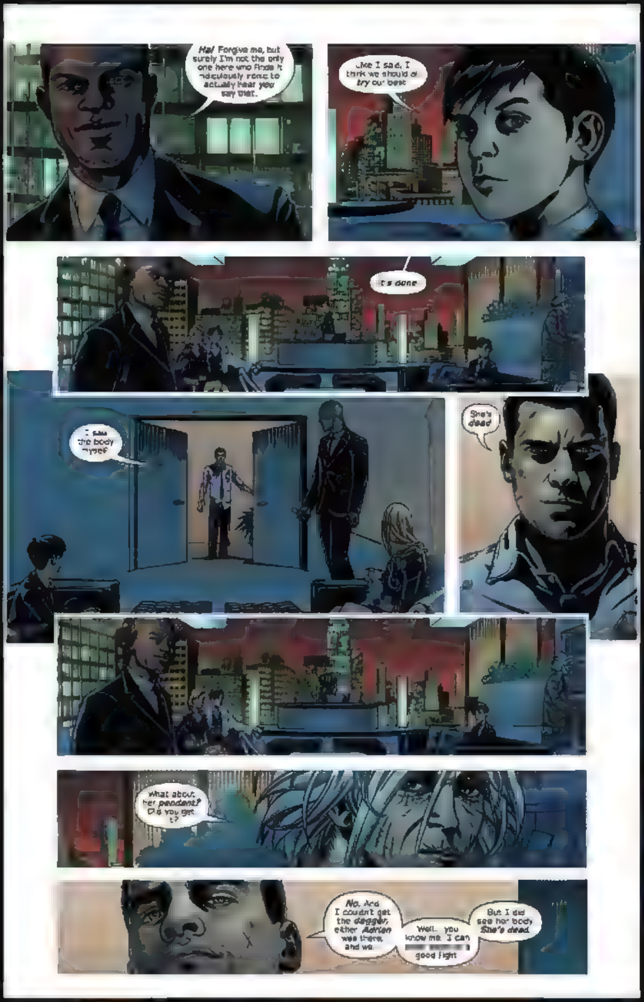
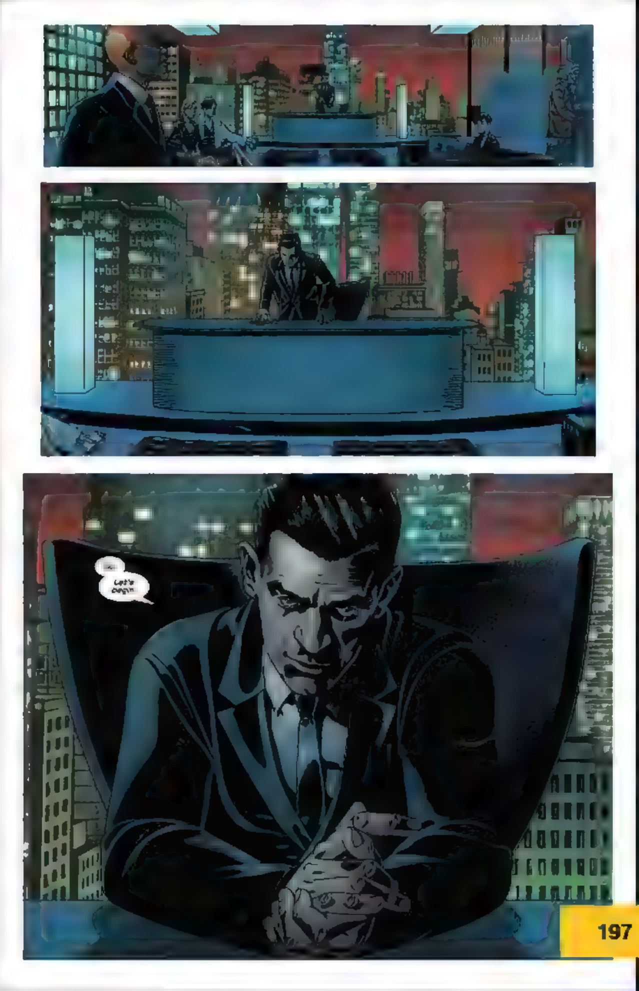
Must we always suffer for the shortcomings of others? I don't know about the rest of you, but I won't be able to bear it much longer



Like you, sister, for instance. Surprising as it may sound, I think I preferred you back in the days when you were [illegible]
You were as devoid of charm then as you are these days, but at least your hygiene was better
Instead, look at you now. You have deteriorated into a pitiful, vulgar caricature of yourself It's unbecoming for someone of our [illegible]
And as usual, dear brother, it's only you complaining.
That's because everyone else here insists on clinging to some romantic notion of allegiance just because we are family.
It's been a long time since I shared that inclination. As far as you are concerned, at least.
I'm fully aware of that.
Are you also aware that you reek? The very air around you is poisonous.
Can everyone PLEASE calm down?!
Why does it always have to be like this?
It's exhausting. Good thing we only have these lovely family gatherings every other century
I'm afraid that until we finish what we have just set in motion, these meetings will become much more frequent, sister. It would serve us well if for the time being we at least try to be civil [illegible]



Ha! Forgive me, but surely I'm not the only one here who finds it ridiculously ironic to actually hear you say that.
Like I said, I think we should all try our best
It's done
I saw the body myself
She's dead
What about her pendant? Did you get it?
No. And I couldn't get the dagger, either. Adrian was there, and we...
Well... you know me. I can [illegible] good fight
But I did see her body. She's dead.



So...
Let's begin

SOUTHERN BASTARDS meets **American Gods** in a high-stakes fantasy series that masterfully blends high-octane action and jaw-dropping worldbuilding.

In **GOD COUNTRY**, readers meet Emmett Quinlan, an old widower rattled by dementia. Emmett isn't just a problem for his children—his violent outbursts are more than the local cops can handle. When a tornado levels his home—as well as the surrounding West Texas town—a restored Quinlan rises from the wreckage.

An enchanted sword at the eye of the storm gives him more than a sound mind and body, however. He's now the only man who can face these otherworldly creatures the sword has drawn down to the Lone Star State.

In **GOD COUNTRY**, salvation is a double-edged sword.

JULY 12	16 PAGES	FC	T+	$1.99

MATT WAGNER returns with the third and final volume of his epic fantasy trilogy—**MAGE: THE HERO DENIED**. This long-awaited conclusion follows the adventures of the reluctant everyman hero Kevin Matchstick, who, after encountering a shaggy and beguiling wizard, discovers he is the reincarnation of the legendary Pendragon and able to wield the power of the mystical weapon, Excalibur. The story picks up several years after the fateful climax of **THE HERO DEFINED** and finds Kevin beginning to once again doubt the virtue of his actions and the course of his destiny.

This introductory, half-sized issue **#0** continues **MAGE**'s tradition of an "Interlude" short-adventure, bridging the gap between this series and the previous storyline. It also acts as a perfect jumping-on spot for new readers.

MOVIE MONTH 2017 RELEASE CALENDAR

Summer is the time when everyone is out of school, taking it easy, and looking for someplace to escape the heat. Many escape to their local movie house, where for an hour or two they can escape the summer sun and be transported to another place… someplace exciting, dangerous or absolutely fun. The movies are the ultimate escape, and we've got our collective eye on 2017's most anticipated offerings!

GUARDIANS OF THE GALAXY VOL. 2
OBVIOUSLY.
5.5.17

GUARDIANS OF THE GALAXY VOL. 2

(MAY 5TH, 2017)

This year's comic book movie release to coincide with *Free Comic Book Day* (Saturday, May 6th) is the long-awaited sequel to **Guardians of the Galaxy**, the aptly numbered **Vol. 2** (keeping with the mix tape angle introduced in the first film). We've already seen an abundance of licensed items being offered for this Marvel Cinematic Universe release, and this issue is no exception! Inside this issue you'll find *Marvel Gallery PVC Dioramas* from Diamond Select Toys (page 516), *10-Inch Plushes* (page 551), new *6-Inch Action Figures* from Hasbro (page 553), *Guardians Marvel 500 Mini-Figures*, a *12-Inch Dancing Groot*, and a *12-Inch "Music-Mix" Star-Lord Electronic Figure* (all on page 554)! There's plenty more in this issue… and in future issues, for sure!

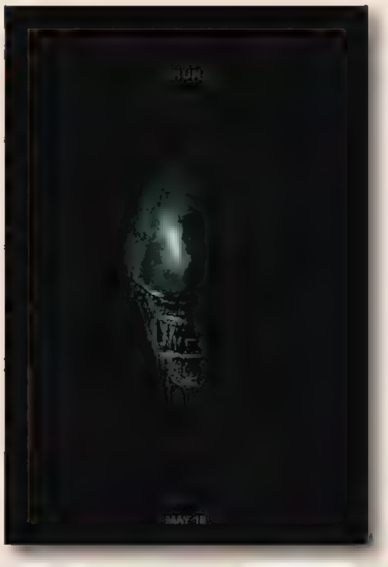
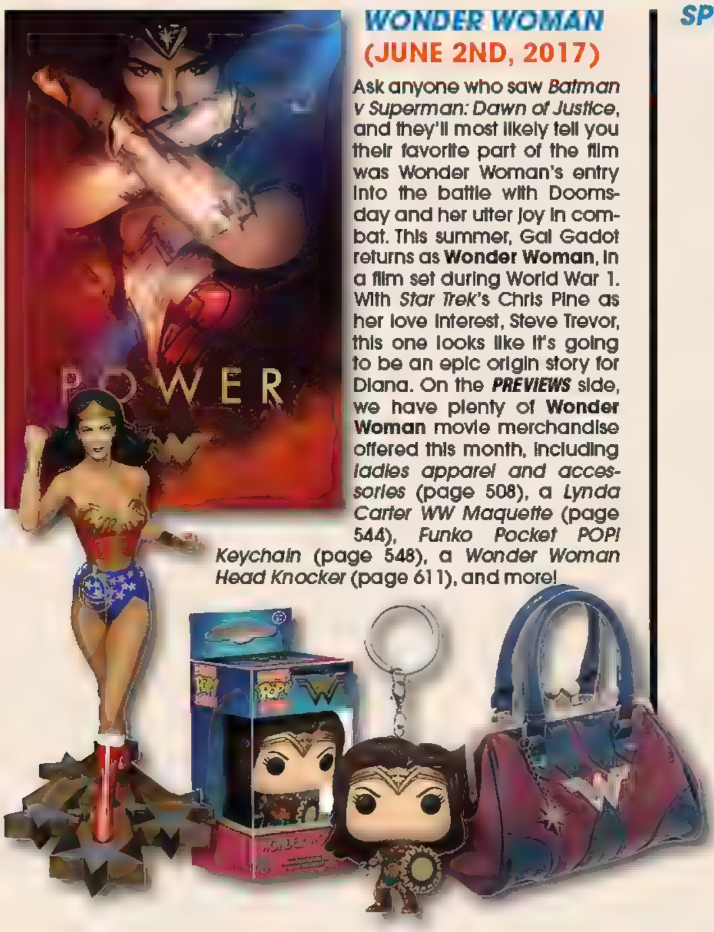
ALIEN: COVENANT

(MAY 19TH, 2017)

Since he wrote and directed the *Alien* prequel, *Prometheus*, Ridley Scott has gotten back into the *Alien* movie business with the first in what has been rumored to be a trilogy of films, **Alien Covenant**. Set around the same time as *Prometheus*, **A:E** follows a group of colonists on a mission to find a new world for human expansion. Of course, somebody (or *something*) got there first. The Alien/Aliens license has been very busy since *Prometheus*, and the anticipation for Covenant has brought us great new items like a *Hissing Xenomorph Bust with Book* (page 486), *Alien T-Shirts* (page 509), *Alien Figurines* from Hero Collector (page 531), *Aliens: Colonial Marines 1/18th-Scale Figure* (page 579), and more!





WONDER WOMAN (JUNE 2ND, 2017)

Ask anyone who saw *Batman v Superman: Dawn of Justice*, and they'll most likely tell you their favorite part of the film was Wonder Woman's entry into the battle with Doomsday and her utter joy in combat. This summer, Gal Gadot returns as **Wonder Woman**, in a film set during World War 1. With *Star Trek*'s Chris Pine as her love interest, Steve Trevor, this one looks like it's going to be an epic origin story for Diana. On the ***PREVIEWS*** side, we have plenty of **Wonder Woman** movie merchandise offered this month, including *ladies apparel and accessories* (page 508), a *Lynda Carter WW Maquette* (page 544), *Funko Pocket POP! Keychain* (page 548), a *Wonder Woman Head Knocker* (page 611), and more!

COMING SOON

SPIDER-MAN: HOMECOMING (JULY 7TH, 2017)

Audiences went wild when Spider-Man made his entrance during the airport battle in 2016's *Civil War*. This was the first evidence of the new agreement between Spider-Man movie license holder Sony, and Marvel Studios, to bring Spider-Man into the Marvel Cinematic Universe. This July, we get the big payoff from the two studios' decision to work together: **Spider-Man: Homecoming**. While we wait for the **SM:H** licensing train to start rolling, we have some quality *New Era 59Fifty Caps* featuring graphics and images based on the film (page 511), *Funko Dorbz* and *Plush Toys* (page 547), a *Life-Sized 1/1 Scale Foam Replica Spidey* (page 552), and more! It's great to have Spidey back in the Marvel Cinematic Universe, and we can't wait to see what role he will play in the big events to come!

AND DON'T MISS THESE OTHER GENRE FILMS HITTING SCREENS THIS SUMMER!

WAR FOR THE PLANET OF THE APES (JULY 14TH, 2017)

The third entry in the modern **Planet of the Apes** reboot finds Caesar and his tribe at odds with the last remnants of humanity, lead by Woody Harrelson. BOOM! Studios will be publishing a prequel series to the film, as well as their continuing *Planet of the Apes/Green Lantern* crossover with DC Comics!

VALERIAN AND THE CITY OF A THOUSAND PLANETS (JULY 21ST, 2017)

O/A MY FRIEND DAHMER SC (NEW PRINTING)

(W/A/CA) Derf

MOVIE MONTH

Soon to be a motion picture from director Marc Meyers. In 1991, Jeffrey Dahmer, the most notorious serial killer since Jack the Ripper, seared himself into the American consciousness. To the public, Dahmer was a monster who committed unthinkable atrocities. To Derf Backderf, "Jeff" was a much more complex figure: a high school friend with whom he had shared classrooms, hallways, and car rides. In *My Friend Dahmer*, writer-artist Backderf creates a surprisingly sympathetic portrait of a disturbed young man struggling against the morbid urges emanating from the deep recesses of his psyche — a shy kid, a teenage alcoholic, and a goofball who never quite fit in with his classmates. KIRBY: KING OF COMICS ANNIVERSARY EDITION

Recommended by Steve Leaf

This year we celebrate what would have been Jack Kirby's 100th-birthday but he is the one continuing to give us gifts. Without Jack and his co-creators the comics world would be bleak, missing Captain America, Challengers of the Unknown, Fantastic Four, X-Men, Silver Surfer, The Inhumans, Black Panther, the New Gods, Darkseid, even Fing Fang Foom and Groot!

It was the visual storytelling of Jack Kirby that brought these and many other iconic characters to life on the four-color pages of comic books. Would there have been a Marvel Age of comics, would there be any true Believers, a MMMS, would anyone face front if Jack wasn't giving visual life to these and many other characters from the 40s to the 80s?

Kirby: King of Comics Anniversary Edition is a softcover revised and updated edition of the **Winner of the 2009 Eisner Award for Best Comics-Related Book**. Jack created much of the visual language for fantasy and adventure comics from the moment he entered the industry. Almost everything that was different about comic books began in the 1940s on the drawing table of Jack Kirby. This is his story by one who knew him well, Mark Evanier. The first edition of *Kirby: King of Comics* was the first overview of the legendary comic book creator's career. It is now available in a smaller more affordable package, revised and expanded for Kirby's centennial.

This is one of the must have books honoring the King of Comics, Jack Kirby. Even if you have the previous hardcover edition you need this edition as well. It's [illegible] Nuff Said when it comes to the King and his importance in our industry.

In this action-packed thriller from the creative team of Jimmy Palmiotti and Justin Gray, a super-hero who can only work for 45 minutes a day learns what it means to be human. The United States military has a secret weapon: an individual who wields the superhuman abilities of immense intellect, speed, power, and strength. The cost? His power only lasts forty-five minutes a day. As Noah Haller works to solve the world's complex problems, he struggles to achieve the emotional balance and understanding that comes naturally to most humans. Scientist Amanda Marr aids him in his journey, but loyalties are tested as a terrorist group threatens the world with a deadly pathogen. (STL048804) (C: 1-0-0)

NEW SERIES!

Arthur Pendragon was the king of all Britain. His story is legendary. Merlin. The Lady of the Lake. Excalibur. Camelot. The Knights of the Round Table. But these stories are bright lies painted over the truth. Here is presented the gospel of Arthur's bloody rise to power and his unholy reign. The legend of King Arthur is not the stuff of legends, but the fuel of nightmares.

As Arthur descends into darkness, is there any lingering hope that he still might do something good?

From writer Cullen Bunn *(Uncanny X-Men, Deadpool)* and artist Mirko Colak *(Punisher)* comes a Lovecraftian take on the Arthurian legend that HAD to be told at AfterShock Comics.

CATALYST PRIME: SUPERB #1

Recommended by Jonathan McKinney

Lion Forge's Free Comic Book Day title *The Event* sets the stage for many excellent titles by a whirlwind of talented creators, and Superb is a strong addition to their line-up. Starring Kayla Tate, a teenager put in a living situation she didn't choose, she deals with strained personal relationships while trying to figure out why Cosmosis, a new superhero and social media icon, is hanging around her hometown. The Event changed the world, and with the dust settling everyone is rapidly learning that life isn't so normal anymore.

The Event invites creators to join the sandbox of Lion Forge's expanding superhero universe, and Superb brings an all-star cast of talent to play. Fans will recognize Sheena C. Howard as the Eisner Award-winning author of *Black Comics: Politics of Race and Representation*, and she is joined by David Walker, author of fan-favorite Marvel series *Power Man and Iron Fist* and *Nighthawk*. Ray-Anthony Height brings superhero flare to the table, having previously worked on titles such as *Spider-Girl* and his own *Midnight Tiger*, and is joined by LeBeau Underwood and Veronica Gandini to round out the interior art excellence.

On top of everything else that makes Superb an engaging story, Lion Forge is teaming up with the **National Down Syndrome Society** on the portrayal of Cosmosis, while also including educational information on Down Syndrome within each issue.

Summer always seems to be the best season for comic books, with top-notch books coming to stores every week. Superb is a great example of what makes comic books so fun, and another must-read chapter in Lion Forge's Catalyst Prime line.

Two of Edgar Rice Burroughs' greatest science fiction series meet at last, as the lost continent of Caspak from THE LAND THAT TIME FORGOT and PELLUCIDAR, the prehistoric world at the Earth's core, collide in one colossal crossover! Stranded in time on the remote island continent of Caspak, Bowen Tyler, his future granddaughter Abby, the Galu warrior woman See-Ta, and the evil Baron von Schoenvorts and the crew of the German U-33 submarine have had their hands full fighting for survival against the rampaging dinosaurs of Caspak, as well as each other. But they are all about to be thrust into a war of worlds unlike anything ever seen, as the insidious inhabitants of Pellucidar find their way to the surface world, right in the heart of Caspak. The goal of the telepathic, prehistoric Mahars is the total subjugation of Caspak, a land that they seek to claim as their new kingdom, and with an invasion force of giant ants and an army of corpse-like, cannibalistic, subterranean creatures, they just might succeed! Officially licensed by Edgar Rice Burroughs, Inc., this is a series that any lover of dinosaurs, science fiction, lost worlds, and high adventure must not miss! The Land That Time Forgot: Terror From The Earth's Core comes with three covers – Two Connecting Main Covers by Mike Wolfer and a Wish You Were Here Postcard Retailer Incentive Edition by Dan Parsons.

The Art of Providence
ART BOOK
$19.99 Trade Paperback
AVATAR

About: The amazing work of Jacen Burrows is celebrated in this special art book! Over 15 years of amazing works are featured here, all showcasing Burrows' original pencils and inks. Included is a complete cover gallery, from The Courtyard to Neonomicon to Providence, as well as choice pages, designs and lots of unused, ultra-rare, and unseen art! For fans of the series, this is a wonderful companion volume showcasing the haunting artwork and painstaking labor that went into bringing it to life.

> **"Jacen Burrows, somehow combining immaculate Swiss-watch precision and wrenching human emotion, is a contemporary master of comic-book art with an instantly classical style that looks like it's surely been around forever; a timeless line that is as distinctive and original as anything the medium has ever produced. And while I am admittedly biased, I believe his astonishing work on Providence to represent a new level of accomplishment in the career of this already stellar artist and craftsman. A unique and genuinely remarkable talent."**

WAR STORIES VOLUME 5

Trade Paperback: $19.99
Cover & Art: Thomas Aria • **Writer:** Garth Ennis
MR, Color, 160pp: The war rumbles on in this fifth collection of Garth Ennis' masterpiece. Included are: the three part "Send A Gunboat." The men of the Royal Navy's gunboat squadrons defend England's coast against Nazi raiders. The little boats are fast, heavily-armed and deadly—and terribly vulnerable. And the enemy is never far away, as the commander of one vessel finds when his German opposite number takes a dangerous interest in him and his crew. Also the four-part "Vampire Squadron." In the dark days of winter, 1940, a handful of pilots show up at a remote Royal Air Force base in rural England. Some are British, some are Poles, Czechs, French, Australians, Canadians—the orphans of Nazi-occupied Europe and the children of the Empire. No other squadron wants them; they don't even like each other much. Which is unfortunate, because they're about to take to the deadly night skies at the height of the Blitz—Hitler's dreadful aerial onslaught on the cities of Britain. This volume collects War Stories #16-22 of the ongoing comic book series.

THE MYSTERY KNIGHT GN
(W) George R. R. Martin, Ben Avery
(A/CA) Mike S. Miller
A full-color graphic novel edition of *The Mystery Knight*, set in the bestselling *Game of Thrones* world, 90 years before *Game of Thrones* begins! *The Mystery Knight* is the third novella in the "Dunk and Egg" series, a sort of prequel to *A Game of Thrones*, given that it highlights a key bit of history leading up to those events. Our heroes are the noble but impoverished hedge knight Duncan and his bold squire, a boy known as Egg, but whose real name is Aegon Targaryen, and who will someday become King Aegon V the Unlikely — and Daenerys' great-grandfather. SPONGEBOB COMICS #70

(W) Derek Drymon
(A) David DeGrand, Jerry Ordway
(CA) Jerry Ordway

Learn the final fate of renegade *SpongeBob Comics* artist Pencils the Pirate in the stupefying conclusion to "Lost Booty!" Stranded on a becalmed ship in the middle of the Great Pacific Garbage Patch, Pencils struggles against two frightful foes: a horrible sea monster and, worse, writer's block! There's but one thing that can save his nautical bacon — SpongeBob himself! But how will our yellow, porous hero get to the surface in time? Find out in this reality-bending yarn of deadlines and doofuses! Plus underwater floods, ocean facts, and "SpongeFunnies" by James Kochalka! (STL048764)

$3.99 • 32 Pages • Full Color

Kurt Sutter (*Sons of Anarchy, Mayans MC*) brings this all-new original tale of revenge and recovery to comics with novelist Courtney Alameda (*Shutter*) and breakthrough artist Hyeonjin Kim.

By day, Dominique, Greta, Misha, and Sarah run a nonprofit women's shelter. At night, they each don a nun's habit and move through Los Angeles hunting down violent abusers who have escaped justice.

Their increasingly public vigilantism has earned them the nickname Sisters of Sorrow, and has drawn the ire of L.A.'s notorious anti-crime task force.

THE PHANTOM: PRESIDENT KENNEDY'S MISSION #1

Recommended by Steven Leaf

The comic strips and pulps of the twenties and thirties paved the way for many of the comic book heroes we read to this day. The Phantom from swearing an oath on his father's skull to his skintight outfit with blank domino mask became the first true masked avenger.

Hermes Press, with years of producing collections of the classic Phantom daily and Sunday newspaper strips, continues to create a new comic series set against the era of the Cold War. *The Phantom President Kennedy's Mission*, written by veteran Ron Goulart and illustrated by Sean Joyce, delivers the real Phantom in a 5-issue mini-series.

In this new series, President John F. Kennedy calls upon his old friend Kit Walker for help, letting the action and intrigue begin in a story that features everything from Russian femme fatales to lost U.S. astronauts on a secret mission as well as learning how Kit first met JFK during his service in PT-109.

The Phantom returns in *The Phantom: President Kennedy's Mission*, a story that evokes that 60's pulp feel.

Bettie Page, the Queen of Pinups, was known equally for her fierce fashion modelling and her bold nude pictorials! This Black Bag Edition – available only as a variant for the first issue of BETTIE PAGE – features the same great story, but with a rare risqué photo cover of the original bombshell, posing in all her natural beauty! Within the pages of this revealing collector's edition, the world can finally know the truth about Bettie Page, as her secret adventures back in 1951 Hollywood have been declassified! Dynamite, David Avallone and Colton Worley are proud to present The Secret Diary of Bettie Page, in handy comic book form.

For the first time in over 30 years, the classic Centipede mini-comic is gloriously remastered and re-released! This whimsical 32-page mini-comic (measuring 5" x 7") was originally packaged with the Atari cartridge of its namesake, and introduced Oliver the Elf and his secret friends: Spider, Flea, Scorpion, and Centipede! When the evil wizard of Mt. Mushmore starts turning the elf villagers into toadstools, Oliver bravely attempts to confront the wicked mage... only to discover that his loyal companions have been hypnotized. Can Oliver survive the rampaging insects and save the forest from a fungus-y fate? Available only through participating retailers in support of the all-new Dynamite Centipede series!

Xena, Warrior Princess, has toppled nations through the force of her will. She's captained the most deadly pirate crew ever to sail the seas. She even turned her back on her past, seeking redemption for her darker acts alongside her partner Gabrielle. And yet, despite her propensity for defeating all odds, her thousand-strong army has fallen to an implacable and ancient evil. Her only recourse? To use the dreaded Necronomicon to summon Ash Williams - the wise-ass, butt-kicking, smooth-talkin' demon-killer from the future - for aid! But how can Xena save the world when that chainsaw-wielding knucklehead's every temporal mishap threatens to unravel time itself?

The reimagined Battlestar Galactica, beloved by sci-fi fans for its gripping drama and tense action, returns with an all-new tale! Gaius Baltar, the Galactica's resident genius and self-serving narcissist, believes he was chosen by God - and now moves closer to being one himself when he constructs a living Cylon Centurion. Is it his greatest achievement or biggest mistake? Will it hunt down hidden Cylons within the fleet, or join them? Commander Adama, Starbuck, Apollo, and others throughout the fleet debate the merits of having this new potential threat among them, with one frightful thought simmering beneath the surface: will the Cylon's bloody history repeat itself?

Rock 'n' roll isn't for the faint of heart. Jet-lagged, on the verge of recording a new album and stuck in the strange heart of Los Angeles, KISS are now up against an army of mysterious strangers who've kidnapped their old friend. Vampirella has her own problems stuck in a crime scene full of satanists with swords. Dragging her new roadie with her on a ride packed with demons and explosions big enough to throw Vampi and her band into a collision course with KISS.

Amy Chu (Poison Ivy, Red Sonja) teams with co-writer Erik Burnham (Back to the Future, Ghostbusters) and artist Eman Cassallos (Vampirella) to explore the secret history of KISS, the world's greatest rock 'n roll sensation, in this mind-blowing prequel to her critically acclaimed "Kiss: The Elder" saga!

Before the underground city of Blackwell, before the cybernetic enforcers known as the Keepers of the Peace, there was the MUSIC. In a small town in Iowa, three young KISS fans - Sam, Milo, and Kimi - meet at a concert and form their own band. When Sam's obsession with KISS, and especially The Demon, takes a new and potentially dangerous twist, the journey that's meant to change their lives might just change the fate of the world!

"Accessible by everyone, KISS fan or not; that's the beauty of Amy's writing."

Meet Greg Pincus, the planet's brand-spanking-newest super-hero. One problem: Greg is neither super, nor particularly heroic. But, he's definitely enjoying the perks that accompany the world's misconception. Can Greg successfully navigate a celebrity-obsessed culture without revealing his secret shame — or getting himself killed? Will his hirsute best friend/roommate (Barry) ever stop making things worse? Will the League of Defenders quit sniping long enough to actually battle evil? And, most importantly, will Greg's Mother ever be freakin' satisfied? RICK & MORTY: POCKET LIKE YOU STOLE IT #1

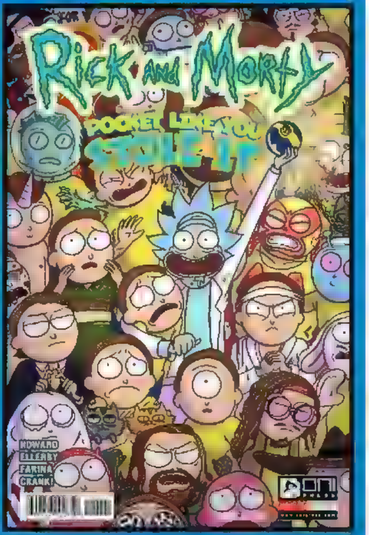
Recommended by Trevor Richardson



There is a lot to love about *Rick & Morty*. The often high concept sci-fi storylines manage to both pay tribute to their source material while also making fun of them. The characters are nihilistic, dark, but weirdly optimistic all at once. In a single episode or comic issue you can find almost every type of joke. But its meta references to their own writing dropped so flippantly, even callously, at just the right that makes the series something special. I would refer the reader to that moment when Rick describes "Scary Terry" as a "legally-safe knockoff of an '80s horror character with miniature swords for fingers instead of knives."

Pocket Like You Stole It has taken that humor to new heights as the multitudes of Mortys are being hunted down and captured by a deranged Rick bent on entering them into Pokemon Go style arena combat. One captured Morty even goes so far as to say "Dangit Rick! This isn't *Super Banana Farm*! It's... it's a phone game..." to which Rick quips "Izzat some kinda... kinda Meta-Commentary on the situation in which we currently find ourselves?" Yes. Yes it is. And it's glorious.

***Rick & Morty: Pocket Like You Stole It* #1 manages to poke fun at *Pokémon Go*, *Predator*, Morty himself, their own phone app, and all those mindless clicker games in its first few pages, and it only gets better from there. Go catch 'em all.**

In this graphic novel adventure from the illustrator of the *Ordinary People Change the World* series, a pair of different-as-can-be twin brothers accidentally bring their favorite video game to life — and now they have to find a way to work together to defeat it. Jeremy and Justin are twins, but they couldn't be any more different from one another. Jeremy is a risk-taker who likes to get his hands dirty, and Justin prefers to read, focus, and get all his facts right before jumping in. But they do have one important thing in common: they both love video games. When Jeremy wins a cereal-box charm that brings his favorite video game to life, villains and all, he finds that he's in waaaay over his head. Justin knows everything there is to know about the rules of the game — he read the handbook, of course — and Jeremy isn't afraid to try new things. Can these two mismatched brothers work together to beat the video game that has become their life? (STL048492) (C: 0-1-0)

Return of the Prince

Junko

At his sister's wedding, Satake Kou is reunited with his cousin Fumihiro, who used to be dumb and fat as a child. Now that Fumihiro has transformed into a charismatic prince, Kou is undeniably self-conscious, but has no idea of Fumihiro's high regards towards him since they were little. Fumihiro's admiration has turned into something entirely different now.
How will Kou respond to Fumihiro's feelings? Adachi has been friends with Ritsu since they were children. Suddenly, Ritsu starts acting completely different, and the reason for that change seems to be Ritsu's new senpai, a troublesome guy. Adachi slowly realizes that he feels more than just friendship towards Ritsu...but is it too late?

PALOOKAVILLE VOLUME 23 HC

(W/A/CA) Seth

The most anticipated issue to date of Seth's iconic comics digest, *Palookaville 23* marks the culmination of twenty years of serialization: here, *Clyde Fans* comes to a conclusion. In this final chapter, we return to Simon Matchcard and the year 1957, exactly where we left off at the end of the first *Clyde Fans* volume. After his disastrous attempt at sales in the city of Dominion, we witness the out of body experience and ecstatic "vision" that sets Simon on his path of lonely isolation in the years to come. But of course that's not all; the next installment in Seth's memoir, *Nothing Lasts*, follows him from late childhood to his high school years, from innocent crushes to adolescent brooding, all told with what has become Seth's signature anecdotal approach to autobiography. MARY WEPT OVER THE FEET OF JESUS

CHESTER BROWN
A "GRAPHIC NOVEL" containing adaptations of certain BIBLICAL STORIES

MARY WEPT OVER THE FEET OF JESUS HC

(W/A/CA) Chester Brown

The iconoclastic and bestselling cartoonist of *Paying for It* returns with a polemical interpretation of the Bible that will be one of the most controversial and talked-about graphic novels of 2016. *Mary Wept over the Feet of Jesus* is the retelling in comics form of nine biblical stories that present Chester Brown's fascinating and startling thesis about biblical representations of prostitution. Brown weaves a connecting line between Bathsheba, Ruth, Rahab, Tamar, Mary of Bethany, and the Virgin Mother and reassesses the Christian moral code by examining the cultural implications of the Bible's representations of sex work. Masterpiece Comics adapts a variety of classic literary works with the most iconic visual idioms of twentieth-century comics. Dense with exclamation marks and lurid zip-a-tone, R. TMNT/USAGI YOJIMBO ONE-SHOT

Recommended by Sarah Martinez

Usagi Yojimbo the samurai rabbit first crossed paths with Leonardo the Teenage Mutant Ninja Turtle in *Turtle Soup* #1, a 1987 comic published through Mirage. Usagi and Leonardo met again in 1988 in the pages of *Usagi Yojimbo* #10, published by Fantagraphics. Usagi would go on to have repeated meetings with Leonardo and his brothers across a multitude of comic and TV continuities. Each time, incredible battles raged—sometimes against a common enemy, sometimes against one another. The only constant? The friendship between Leonardo and Usagi Yojimbo.

Across cartoons, CGI TV shows, a wealth of publishers, and decades of talented creators who have penned these crossovers, Stan Sakai's *TMNT/Usagi* comics stand out as the best in the bunch. As the creator of Usagi Yojimbo, of course Stan has the strongest narrative voice for his samurai. Yet his stories go much further than that. In understanding Usagi, he also has deep understanding of the camaraderie between warriors that is so crucial between Leonardo and the ronin rabbit. Frequently assigned the fairly generic role of "leader," Leonardo's personality takes three-dimensional form in Stan's pages.

Add in Stan's winking sense of humor, his amazing fight scenes with their elastic energy, and his vast cultural knowledge of feudal japan, and you just can't go wrong! This time, all five heroes take on the mother of all monsters: an island-smashing catfish.

Ronin rabbit & teleported terrapins must mollify a celestial-sized catastrophic catfish!

This installment of Seth's critically acclaimed one-man anthology features an autobiographical comic about Seth's childhood, part four of his long-running *Clyde Fans* serial, a photo essay about a barbershop he designed, and a comic strip about the art of barbering. "Nothing Lasts" revisits Seth's childhood in 1960s Ontario, with a special focus on the salvation that he found in library books and drug-store comics. The *Clyde Fans* chapter included here shows the conclusion of brothers Abe and Simon Matchcard's first lengthy conversation, and Abe's pensive, self-questioning mood as he drives back to Dominion to meet up with his old flame, Alice. (W/A) R. Sikoryak

R. Sikoryak tackles the monstrously and infamously dense legal document, iTunes Terms and Conditions, the contract everyone agrees to but no one reads. In a word for word adaptation, Sikoryak hilariously turns the agreement on its head; each page features an avatar of Apple cofounder and legendary visionary Steve Jobs juxtaposed with a different classic strip such as Mort Walker's *Beetle Bailey*, or a contemporary graphic novel such as Craig Thompson's *Blankets* or Marjane Satrapi's *Persepolis*. WILSON TP

(W/A/CA) Daniel Clowes

This new paperback edition of Daniel Clowes' modern classic celebrates the Alexander Payne-produced film version starring Woody Harrelson and Laura Dern. One of the leading cartoonists of our time creates a thoroughly engaging, complex, and fascinating portrait of the modern egoist-outspoken and oblivious to the world around him. Working in a single-page-gag format and drawing in a spectrum of styles, the cartoonist of *Ghost World, Ice Haven,* and *The Death-Ray* gives us his funniest and most deeply affecting novel to date. STAR TREK GRAPHIC NOVEL COLLECTION VOLUME 7: STAR TREK (2009): THE OFFICIAL MOTION PICTURE ADAPTATION

(W) Roberto Orci, Alex Kurtzman
(A) David Messina

MOVIE MONTH

IDW's six-issue miniseries explores the events of the 2009 blockbuster Star Trek reboot (the so-called "Kelvin Timeline"), including material that was cut from the film! Together with Star Trek: Countdown and Nero, it provides a deeper insight into this brand-new approach to the world of Star Trek! This volume also includes a 26-page back-up tale from Star Trek #7 (Gold Key) "The Voodoo Planet", where Kirk and Spock once again face Khan Noonien Singh, who uses voodoo to fight them! STAR TREK GRAPHIC NOEL COLLECTION VOLUME 10: THE CLASSIC UK COMICS PART 1

(W/A) Various

Before the original series aired in the UK, British readers were introduced to the concept and characters of Star Trek in the form of comics. The crew is familiar, but the Classic UK Comics represents a peculiar take on The Original Series' universe. The Enterprise leaves our galaxy, the crew often violates the "Prime Directive", and Spock gives hot-headed advice — these adventures offer a different face of the well-known world of Star Trek! STAR TREK GRAPHIC NOVEL COLLECTION VOLUME 8: STARFLEET ACADEMY

(W) Mike Johnson, Ryan Parrott
(A) Derek Charm

MOVIE MONTH

A mystery brings together some of the crewmembers of the 2009 Star Trek movie in their student years at Starfleet Academy. The well-known characters are joined by a new group of cadets who still need to learn how to work together as they embark on their own adventures. This volume also includes a 26-page back-up tale from Star Trek #8 (Gold Key), "The Youth Trap", where a shipwrecked scientist uses a youth ray on the crew of the Enterprise in order to steal the ship for himself! STAR TREK GRAPHIC NOVEL COLLECTION VOLUME 11: TNG: INTELLIGENCE GATHERING

(W) David Tipton, Scott Tipton
(A) David Messina

The Enterprise-D crew embarks on a new five-part adventure. Published one year after IDW's Star Trek: The Next Generation: The Space Between, the creators of Klingons: Blood Will Tell deliver brand new TNG missions. Follow the stories where a Federation computer might have gained sentience, Worf needs to take on the role of a diplomat and Deanna's powers threaten to turn against the crew! This volume also includes a 27-page back-up tale from Star Trek #10 (Gold Key), "Sceptre of the Sun", where a shipwrecked scientist uses a youth ray on the crew of the Enterprise in order to steal the ship for himself! STAR TREK GRAPHIC NOVEL COLLECTION VOLUME 9: EARLY VOYAGES PART 1

(W) Dan Abnett, Ian Edginton
(A) Patrick Zircher

Christopher Pike's time as captain remains mainly unexplored by the Star Trek shows and films. Early Voyages is here to change that! Follow Captain Pike and his crewmembers — including some familiar faces like the young Spock, Number One, and Boyce — on a series of early adventures of the Enterprise! This volume also includes a 26-page back-up tale from Star Trek #9 (Gold Key), "The Legacy of Lazarus", where the Enterprise crew encounters famous figures from Earth's history! FOG OVER TOLBIAC BRIDGE

by Jacques Tardi and Léo Malet

$19.99 / HC / 120 pgs / BW / 7.5 x 10.5

Fog Over Tolbiac Bridge is the first of four major graphic novels adapted by Tardi from the legendary French crime writer Léo Malet's original "Nestor Burma" novels. Tardi's stylish use of mechanical gray tones provides the book with a lovely period feel which, combined with Tardi's usual obsessive visual research, gives it a uniquely personal, authentic quality. Tardi's adaptation is a cracking good detective yarn and a milestone in comics history.

MY PRETTY VAMPIRE

by Katie Skelly

$19.99 / HC / 108 pgs / FC / 8.5 x 11

Clover yearns to be the girl she once was before becoming a fanged bloodsucker and, imprisoned by her brother, she plans her escape. The result is a sexy, sophisticated horror romp that wears its colorful Pop sensibility on its sleeve. Katie Skelly's sex-positive attitude and emotionally rich work makes for a wonderfully moody, progressive, and engaging read.

$3.99 / Comic / 28 pgs / FC / 6.625 x 10.187

Is Swan City's Crime Destroyer a hero... or a vigilante? In this hard-hitting tale of corruption and depravity by Benjamin Marra and Josh Bayer, Crime Destroyer's world is turned upside down when he battles the Judge and the P.Y.S.C.H.O.s. And nothing will ever be the same after the jaw dropping last page.

"CRIME DESTROYER..... is right there with Ed Piskor's *Hip Hop Family Tree* or Tom Scioli and John Barber's *Transformers vs. G.I. Joe* as a modern comic that lovingly and unironically recaptures the spark of older comics." —*NEWSARAMA*

THE END OF THE FUCKING WORLD

by Charles Forsman

$19.99 / HC / 176 pgs / BW / 5.25 x 6.75

To coincide with the forthcoming Netflix television adaptation of Chuck Forsman's best-selling 2013 graphic novel, Fantagraphics is proud to publish this new hardcover edition. *TEotFW* portrays James and Alyssa living a typical teen experience that takes a more nihilistic turn as James's character exhibits a rapidly forming sociopathy. Forsman's story highlights the existential search of many teenagers through a road trip drama that owes as much to *Badlands* as Charles Schulz, creating a wholly unique narrative tension between form and content.

TEN THOUSAND YEARS IN HELL

by M. Tillieux

$19.99 / HC / 96 pgs / FC / 8.25 x 11.5

Ten Thousand Years in Hell marks a sharp departure from the moody, urban detective style of Fantagraphic's previous Tilleux graphic novel, *Murder By High TIde*. Instead, the title story is a rollicking prison-escape yarn set in South America. The second story, "Boom and Bust," features one of Tilleux's patented spectacular car crashes. Tillieux's masterful graphics remind the reader why he was considered one of the top Franco-Belgian cartoonists of his time and, indeed, of any time.

JASON SHIGA: DEMON VOLUME 3 SC
(W/A/CA) Jason Shiga
Volume 3 of the ultra-violent and hilarious supernatural mystery series from bestselling *Meanwhile* author, Jason Shiga. Over a hundred years in the future, Jimmy and his daughter Sweet Pea (not so sweet a century later) revel in their immortality, convinced that they have finally outlived the sinister OSS forces that hunted them for so long. But just when they relax, OSS agent Hunter is back — and a bigger threat than ever! What follows is a good old-fashioned action-movie-style chase scene that includes the grossest thing you've ever read in a comic. We'd say we're sorry, but we're really, really not. PIGS MIGHT FLY
(W) Nick Abadzis (A/CA) Jerel Dye
Magic and science clash in a world where highly evolved pigs fight their mortal enemies, the warthogs, for dominion of the skies! On the grand sweep of the Pigdom Plains lives a small pig called Lily, the daughter of renowned inventor, Hercules Fatchops. Hercules' personal holy grail is to invent powered aircraft, a feat already achieved in secret by Lily. Hercules prizes only science, but Lily's innovations employ science and magic. She will need both, because now the Pigdom faces invasion from terrifying adversaries with more advanced aircraft-from over the mountains come the warthogs, intent on destroying the Pigdom. Following the success of his smash hit graphic novel *Laika*, Nick Abadzis returns to First Second with his latest epic: *Pigs Might Fly!* Available in softcover and hardcover editions. (W) David Baron (A) Yusuf Idris
(CA) Steve Morris
The break out comic of 2017 continues with 2016 Harvey Award nominee David Baron and rising newcomer Yusuf Idris. On the hunt for her next illicit payday, Emma comes upon a devastating find. What she discovers is unimaginable: a deadly human trafficking ring and a plane full of stolen children held against their will hidden deep in its hull. At 30,000 feet any attempt to rescue the kidnapped children seems insane. Luckily for the stolen kids, Emma crossed over the line of sanity a long time ago. (STL048435)

Available in English for the first time, the internationally bestselling graphic novel and official selection at the prestigious Festival d'Angoulême by master illustrator-storyteller Chabouté (*Park Bench*, *Moby-Dick*). Every week a boat leaves supplies on a tiny lighthouse island, only to have them later consumed by an unseen man, a figure mythological in his continual absence. Who is this person, living fifty years on that rock? Why does he never leave? Why does he never make himself seen? What is it like to be so alone? When a new boatman, understanding hardship himself, starts to ask those very questions, a chain of events unfolds that will change the lonely lighthouse resident's life forever. Filled with stunning visuals of a rich interior life, *Alone* a tale of one solitary man looking for connection, teaching us something about the human experience and the world as a whole. (STL048255)

CHABOUTE
ALONE

On a tiny lighthouse island far from the rest of the world, a lonely hermit lives out his existence. Every week a supply boat leaves provisions, its occupants never meeting him, never asking the obvious questions: Who are you? Why do you hide? Why do you never leave? What is it like to be so *alone*?

But one day, as a new boatman starts asking the questions all others have avoided, a chain of events unfolds that will irrevocably upend the hermit's solitary life and reveal how someone can be an everyman, and every man is someone.

From legendary creator Grant Morrison (Avatarex, All Star Superman, Batman & Robin, The Invisibles) comes the fourth volume in his epic creation, 18 Days! The battlefield grows deadlier as we explore how the war has affected the next generation through the eyes of Arjuna's son, Abhimanyu. Follow the young warrior's epic adventure as he learns about the consequences of war while being hunted by Emperor Duryodhana's deadliest assassins!

"This version of the Indian epic, the Mahabharata is set in a fantastic, mythic time, at the end of the Copper Age and the beginning of the fallen, corrupt Kali Yuga, the Age of Iron. This is a story with a timeless resonance... a psychedelic Lord of the Rings with Star Wars technology..."

The Phantom: President Kennedy's Mission; all color; $3.99; Script by Ron Goulart; Cover # 1 Scott Brooks (ABOVE); Cover 1a by Sean Joyce; Cover 1b by Sean Joyce; Artwork: Pencils by Sean Joyce.

The Phantom is back and the year is 1962: a possible world war with Russia looms and President John F. Kennedy calls upon his old friend to help, and the action and intrigue begin.

This all new adventure, written by veteran Phantom scripter Ron Goulart features artwork by Sean Joyce in his first foray as a comic book artist. Joyce, best known as one of Hollywood's most talented matte painters and storyboard artists, has always aspired to create comics and he turns in inspired work on this exciting Phantom adventure.

This five book story arc (each issue to be released every month and a half) has it all, President John F. Kennedy, Russian femme fatales, espionage, lost U.S. Astronauts on a secret mission, Singh pirates, and, of course The Phantom, Diana, and Devil.

Return to the swinging 1960s with The Phantom. Issue one boasts three original covers. Don't miss it!

THE LEGEND OF ZELDA LEGENDARY EDITION VOLUME 5: FOUR SWORDS

Recommended by Matthew Demory

The Legend of Zelda is one of the most memorable video-game franchises in history. The series launched in America on the Nintendo Entertainment System back in in the 1980s and has been one of Nintendo's best sellers since the series began, with nearly every game receiving a manga edition crafted by Akira Himekawa.

Legend of Zelda: Four Swords the game is notable as it offered players the first multiplayer Zelda experience. Originally published as an additional title on the *Link to the Past* cartridge for Gameboy Advance, the game has players battling Vaati. The villain had previously been sealed away in a weapon called the Four Sword before he had broken free of his bonds and absconded with Princess Zelda forcing the players to take up the Four Sword and give pursuit. The Four Sword when drawn splits Link into 4 different versions of himself allowing up to 4 players to enjoy the game and battle their way to the Wizard to rescue the Princess. A sequel was also released on the Nintendo GameCube called *Legend of Zelda: Four Swords Adventures*.

Originally published by Viz in 2012 (Volume 1: DEC128235) and 2013 (Volume 2: APR138005), the two volumes of *Legend of Zelda: Four Swords* are getting the Legendary Edition treatment already received by fan favorites *Ocarina of Time* (SEP162089), *Majora's Mask*, and *A Link to the Past* (JAN172160). Unlike *Ocarina* and *Majora's Mask*, *Four Swords* focused mostly on multiplayer action over story, allowing Himekawa an opportunity to expand on the story and Zelda lore.

Be sure to pick up *The Legend of Zelda Legendary Edition Volume 5: Four Swords* this July to pick up a piece of the Hyrule's history.

Federico Bertolucci

Chipper and Squizzo are a precocious puppy and squirrel who love to explore new and exciting environments, flying their cardboard box airplane to wondrous worlds full of fascinating animals and creatures. In each volume of this fun, educational series, they tour a different location, encountering the real-world animals found there in beautiful illustration and fun cartoon strip antics. This new volume takes our adorable nature guides into the past, where they visit dinosaurs, ancient mammals, and early man!

IN THE LION'S DEN!

BY MICHAEL SWEATER

Welcome to the Lion's Den! Lion Forge's latest feature follows the topsy-turvy lives of three lions working at an independent comics publisher, as they deal with the hard decisions in life: How can they get any work done with so many great comics around? Should they or shouldn't they bring a T-shirt cannon to the con? And how can they make sure their local comics shop is carrying the comics they want to read?

Follow *In the Lion's Den* as part of the Forge Forecast editorial page in all Roar and CubHouse comics!

THE LYRICAL COMICS OF DILLIES COLLECTION HC

(A) Renaud Dillies & Various
The bittersweet "funny animal" comics of French master comic artist Dillies collected in one specially priced set. From *Abelard*, a love struck little chick who'll go to the end of the world to catch the moon for his beloved, to *Bubbles & Gondola* with Charlie the mouse whose writer's block can only get unstuck when he gets out to the world, to *Betty Blues*, about a hard bitten jazz trumpeter duck and his gorgeous floozy he loses to his music, these are fairy tales for adults with the surrealist charm of Herriman's *Krazy Kat*. 3 volumes collected in one specially priced set. (STL048442)

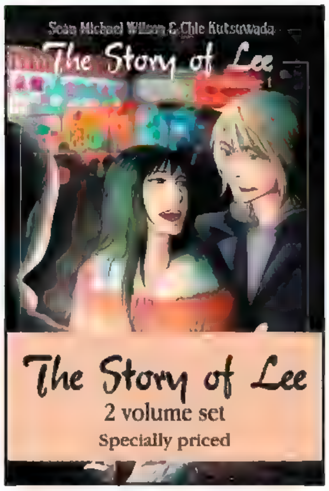
Minoo Shirazi is a rebellious young Iranian woman, struggling to define herself amidst the strict social conventions of an oppressive regime, and the differing wishes of an overbearing father, in between life in Iran and life in midwestern America. Minoo Shirazi is also a free-spirited adventurer in a fantasy world, a place where aspects of modern America and ancient Persia meld into a unique landscape. And yet, neither of these women are the true Minoo Shirazi. 2 volumes collected in one specially priced set. (STL048426)
SC, 6x9, 224pgs, B&W $19.99



STORY OF LEE COLLECTION SC

(A) Sean Michael Wilson & Various
Lee, living in Hong Kong, meets Matt, a fine young Scot. Their relationship becomes stronger by the day, despite their deep cultural differences. But there is Lee's Dad to contend with who views this affair very suspiciously. And there is another contender for Lee's heart, a Chinese young man, whose jealousy takes on twinges of xenophobia. Will Lee and Matt's relationship successfully cross the cultural divide and overcome the negative odds? Two worlds collide creating good sparks... and bad ones. In volume 2, it's the reverse as they move to Scotland. Collected in one specially priced set. (STL048446)
SC, 5x8, 320pgs, B&W $19.99

THOREAU: A SUBLIME LIFE HC

(W/A) Dan A., Maximilien Le Roy
Just in time to celebrate Thoreau's 200th birthday! "To be a philosopher is not merely to have subtle thoughts, nor even to found a school, but so to love wisdom as to live according to its dictates, a life of simplicity, independence, magnanimity and trust." This graphic novel biography relates the forward looking inspirational life of the great author, philosopher and pioneering ecologist. Henry David Thoreau was also the father of the concept, still fresh today (see all the recent protests) , of 'civil disobedience' which he used against slavery and the encroachment of government. Rick and Morty: Pocket Like You Stole It is a new comic book miniseries based on the popular [adult swim] television series and inspired by the *Pocket Mortys* mobile game! In this five-issue series, Morty is on a quest to free himself (and all the other Mortys) from the clutches of Ricks, who collect Mortys and force them to battle one another for schmeckles and glory. Along the way, he'll discover the grisly history of Morty battling, the dastardly lengths that Ricks are willing to stoop to in order to win, and perhaps... the strength in himself that's needed to free the Mortys once and for all?

32 Pages, $3.99, RELEASE DATE: **07/12/17, MATURE**

New season! New jumping-on point! Ah, Kaijumax Prison... that cesspool of corruption in the South Pacific! Tensions among the city-destroying convicts have eased after a month-long lockdown and Electrogor's capture, and now the kaiju gangs have begun vying for power again, all-out-attacking their rivals, trading addictive smog and dioxin, and abusing weaker inmates. The Creature from Devil's Creek, after a long time as the low mon in the Cryptid hierarchy, stumbles upon some information that makes him think it doesn't have to be like this. Also: Mind-controlled murders! Pre-smartphone navigation fails! And... some VERY old timey religion?

"This is fantastic stuff."

Sketchy gambler Pauly Bones has slithered into Eddie's life with an offer—together they can turn the tables on the demon crime families and finally get what they deserve. Eddie and Pauly can't trust each other, though, and it's only a matter of time before one double crosses the other. But with a new hired killer in town, they might both be dead before they can make their treacherous plays.

"[...] this story grabs you by the face while simultaneously unweaving a complex murder mystery. I enjoyed every second."

Absence makes the heart grow fonder and after spending the last several months avoiding her criminal past to try and build a normal life, Callie is fonder than ever. Forced to set her normal existence aside and break her anarchist pals out of a Canadian jail, Callie finds herself head over heels for her old life. When this one-time dalliance threatens to turn into a full-blown crime spree, Callie turns to the only person who will understand: Mercer.

"Nothing makes a murderino feel right at home like a 1970s crime with a killer (pun intended) soundtrack."

TALES FROM THE CRYPT: HORRORCIDE #2

(W) Larry Hama (A) Mike Mayhew & Various (CA) Michael Golden
Continuing an all-new 3-issue series of the legendary EC comic, that's guilty of committing HORROR with intent to THRILL! Special Guest Writer/Editor Larry Hama spins a trio of terror-tales designed for MAXIMUM IMPACT! For example, "Omniphage," Baby Benjamin eats everything. Literally. He devours his bassinette, his rattle and his bottle. Mom and dad don't know what to do! They call in scientists who study Benjamin, but they can't figure anything out. How does he do it? How does he masticate stone and steel and glass with just his baby teeth? And he's growing! Soon, he's too big to fit in his room. They have to build a special area for him in aircraft hangar, and transport him there on the kind of tractor trailer they use to move houses in. He is getting bigger and bigger all the time. They have to truck in entire cows for him to devour whole. A mathematician figures out that the growth is exponential. Within two weeks, he will be capable of eating half the world. Well, we could reveal more, but then we'd risk ruining the SHOCK ENDING! Just rest assured that The Crypt-Keeper, The Old Witch, and The Vault-Keeper have even more frightful stories to share! THE WENDY PROJECT GN

(A) Veronica Fish
(CA) Melissa Jane Osborne

16-year-old Wendy Davies crashes her car into a lake on a late summer night in New England with her two younger brothers in the backseat. When she wakes in the hospital, she is told that her youngest brother, Michael, is dead. Wendy, once a rational teenager, shocks her family by insisting that Michael is alive and in the custody of a mysterious flying boy. Placed in a new school, Wendy negotiates fantasy and reality as students and adults around her resemble characters from Neverland. Given a sketchbook by her therapist, Wendy starts to draw. But is *The Wendy Project* merely her safe space, or a portal between worlds? (STL048394)

FAITH & THE FUTURE FORCE #1

Recommended by Trevor Richardson

Following the events of Harbinger Renegade, Faith is back at work on Summer Smith when she is contacted Dr. Neela Sethi, Timewalker, who is on a Doctor Who-ish mission to save life, the universe, and everything from a deranged AI bent on unwriting the history of Earth. Neela knows she needs Faith to prevent the deletion of time – past, present, and future – as we know it, but she doesn't know much more than that. In fact, this isn't even her first attempt to gather the right crew to stop the AI. It isn't even her second or third. And until they find the exact right group of Faith and super friends, the time loops will just go on or else the future of the Universe will end before it ever began.

An action-packed, time-hopping, sci-fi summer event for fans of Faith, the Valiant Universe, *Groundhog Day*, *The Edge of Tomorrow*, and *Terminator*.

NOT LIVES VOLUME 6 GN

(W/A/CA) Wataru Karasuma

High school student Mikami has always been an eccentric oddball who doesn't quite fit in. Little do his classmates know, Mikami moonlights as a game designer extraordinaire. His mission is simple: create the ultimate romance game! Sounds easy, right? When Mikami decides to play a mysterious game that he comes across, things take a turn for the bizarre as he suddenly is thrust into a survival game and transformed into a beautiful girl! Inside the game, if Mikami loses, it's not only his female avatar that's on the line, but his very own life! (STL046725) (C: 0-1-0)

SERVAMP VOLUME 10 GN

(W/A/CA) Tanaka Strike

When a stray black cat named Kuro crosses Mahiru Shirota's path, the high school freshman's life will never be the same again. Kuro is, in fact, no ordinary feline, but a servamp: a servant vampire. While Mahiru's personal philosophy is one of nonintervention, he soon becomes embroiled in an ancient, altogether surreal conflict between vampires and humans. (STL046727) (C: 0-1-0)

PETER PAN SC

(W) J. M. Barrie (A/CA) Kriss Sison

Seven Seas is excited to present *Peter Pan*, an all-new illustrated edition of the beloved story of the boy who never grows up, accompanied by manga-style artwork that will appeal to readers of any age who still believe in magic. This new edition reintroduces readers to J. M. Barrie's original novel, *Peter Pan*, in its entirety, accompanied by delightful black-and-white manga-style illustrations by Kriss Sisson, illustrator of Seven Seas' popular *Alice* and *Oz* illustrated books. Look for the second star to the right and it's straight on 'til morning as you follow young Wendy, John, and Michael Darling as they're whisked away from their London home to the magical world of Neverland. Their guide, the brash ruler of Neverland, is none other than Peter Pan, the boy who never grows up. (STL046736) (C: 0-1-0)

GRIMGAR OF FANTASY & ASH LIGHT NOVELS

(W) Ao Jyumonji (A/CA) Eiri Shirai

Haruhiro awakens to darkness and amnesia, among a group of strangers who can only remember their own names — and nothing else. When they make it into the light, they discover Grimgar, a fantasy world that's like something out of an RPG game. Without apparent skills or knowledge of their surroundings, Haruhiro and his newfound friends band together to form an adventuring party. Only by cooperating, using their wits, and learning new skills can they hope to survive in this dangerous land of monsters and magic! In *The Good Earth*, Pearl S. Buck paints an indelible portrait of China in the 1920s, when the last emperor reigned and the vast political and social upheavals of the twentieth century were but distant rumblings. This moving story of the honest farmer Wang Lung and his selfless wife O-Lan is must reading to fully appreciate the sweeping changes that have occurred in the lives of the Chinese people during the last century. *New York Times*-bestselling author Nick Bertozzi brings Buck's timeless, epic novel to life with incredible imagery in this vivid graphic novel. Bertozzi retraces the whole cycle of life depicted in the unforgettable original: its terrors, its passions, its ambitions, and its rewards. (STL047987) (C: 0-1-0)

ROBOTECH

RETURNS WITH A BRAND NEW COMIC SERIES!

The series begins with the alien Super Dimensional Fortress (SDF-1) crash-landing on a tiny South Pacific island, bringing with it a host of advanced technology, and leading to a period of great progress for humanity. A thriving city develops around the Fortress – until one day the mysterious and terrible Zentraedi attack!

Titan Comics' all-new *Robotech* series returns to Macross Island, where it all began! Brian Wood, Marco Turini and Marco Lesko have crafted a thrilling new tale that's perfectly accessible to new fans, as well as providing a deeper layer of twists for old-school protoculture addicts!

HOW IT ALL BEGAN...

Robotech producer Carl Macek came from a comics retail background before moving into animation, and was recruited by Harmony Gold to develop Macross (and *Robotech*) for the US market.

Conceived by Carl, *Robotech* took three existing Japanese series (*The Super Dimension Fortress Macross, Super Dimension Cavalry Southern Cross, and Genesis Climber MOSPEADA*) and combined them to form one epic series comprised of 85 episodes.

Robotech introduced a whole generation of Western fans to anime at a time when very few people knew of its potential.

Like a lot of anime at the time, *Robotech* had a strong foundation in giant robots and mecha, but it was the amazing characters who really set it apart.

Audiences grew to love Rick, Lisa, Minmei, Roy, Claudia, Gloval, and the generations who followed them.

The *Robotech* saga became an iconic staple within pop-culture and anime, with incredibly passionate fans and instantly-recognizable characters!

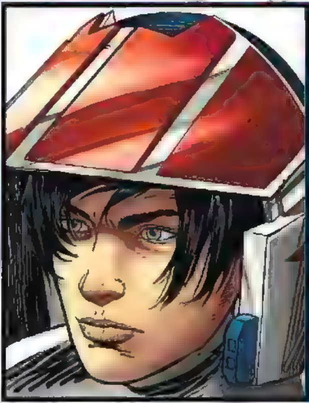
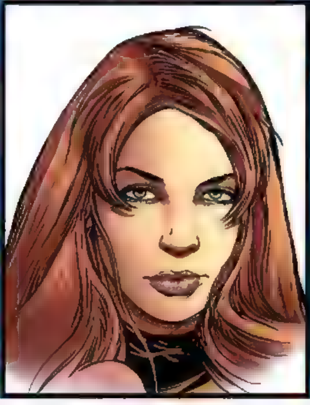
THE NEW TEAM!



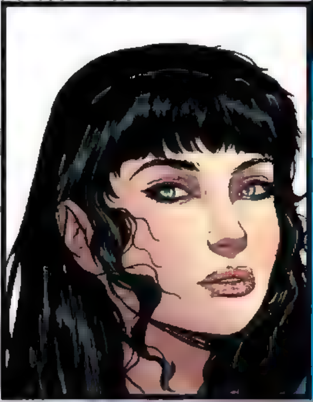
RICK HUNTER

Rick Hunter has always looked up to his adopted 'big brother' Roy Fokker, so it was only natural that he would learn to fly early on. Although he starts as an amateur pilot in his father's flying circus, he's soon destined for greatness as one of the top guns of the Robotech Defense Force.



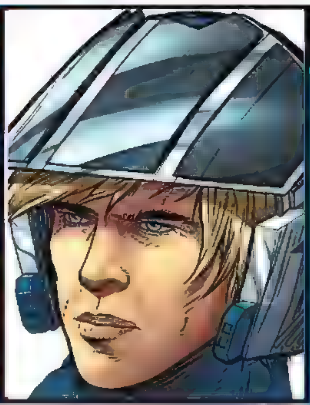
LISA HAYES

Lisa Hayes comes from a long line of military officers and, as the daughter of an admiral, she takes herself and her work very seriously. Despite having suffered a great deal of tragedy in her life, she remains driven — channeling it all into her role as First Officer of the SDF-1 [illegible] at the expense of those around her.



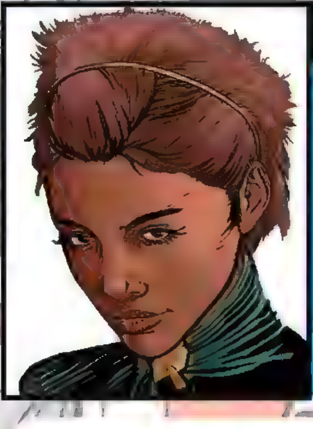
LYNN MINMEI

Lynn Minmei was raised in Yokohama's Chinatown in Japan. She moves to Macross Island with her aunt, uncle and cousin when they open a Chinese restaurant. But Minmei dreams of singing and writing songs, that music will become a secret weapon in the First Robotech War.



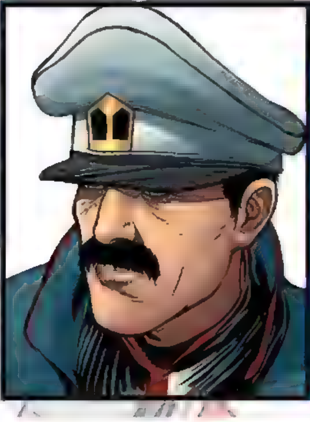
ROY FOKKER

Roy Fokker comes from a family of military pilots, but when his own father is killed in action he's taken in by young Rick Hunter's family. Joining the military ahead of the Global War and the Macross Incident, Roy goes on to become the legendary leader of Skull Squadron in the SDF.



CLAUDIA GRANT

Claudia Grant is the Chief Communications Officer of the SDF-1, who has a long history with Roy Fokker. Known for her empathy and compassion, these qualities along with her cool [illegible], make her an effective leader (and trusted confidant) when trouble strikes.



HENRY GLOVAL

Henry Gloval is a born leader who, at one time, served with the legendary Admiral Hayes. He was one of the first members of Robotech Defense Force and rose through the ranks to become captain of the SDF-1 — [illegible] and [illegible] in the middle.

ABOUT THIS SERIES

Inspired by the hit Disney movie, Tangled. Rapunzel has lived inside an isolated tower all her life, able to see the world outside her window but forbidden to leave. When the notorious thief Flynn Rider shows up, she makes a deal with him to finally break free and experience the world outside her prison. Is the world as scary as Mother Gothel promised it would be? Or will she find the answers behind her magical, flowing hair and the truth about her childhood? This magical adaptation retells the hit Disney movie using beautiful manga artwork.

DOG NIGHT AT THE STORY ZOO GN

(W) Dan Bar-El (A/CA) Vicki Nerino

It's Open Mic Night at the Story Zoo and the dogs are up to tell their tales in this hilarious graphic novel for young readers. At the Story Zoo, you get to tell any story you want in front of the live audience, as long as it's about you. And tonight is dog night. So sit back, relax, and let these dogs tell their tales. We've got some hilarious but quite touching stories from dogs of all kinds, including a bulldog who doesn't wanted to be judged by his looks; a bloodhound who loses her power of scent and turns to a dog called Surelick Holmes for help; an energetic poodle who saves the day with her yapping; and a stray who takes fetching to a whole new level. These stories will make you laugh, make you cry and maybe even make you howl at the moon. (STL048472) (C: 0-1-0)

THE MYSTERY KNIGHT: A GRAPHIC NOVEL

Recommended by Luke Martin

GEORGE R. R. MARTIN
THE MYSTERY KNIGHT
A GRAPHIC NOVEL ADAPTED BY BEN AVERY
ART BY MIKE S. MILLER

It'll be a few months before another season of *Game of Thrones* returns to grace our collective screens, and even longer before we see *The Winds of Winter*. If you find that the drought doesn't appeal to you, and have a desire to expand your knowledge of the lore, this is the comic for you!

The Mystery Knight, adapted to graphic novel format from the 2010 short story of the same name, is set several generations before the main plot of *Game of Thrones* and follows the exploits of a hedge knight, Sir Duncan the Tall, and Egg, his young squire. While travelling the Kingsroad, "Dunk" and Egg are drawn to a lavish wedding feast for a nearby lord. What's more, the celebratory tournament boasts an impressive prize: a dragon egg! But when the guest list boasts the key players of a failed rebellion for the Iron Throne, there may be more than just merrymaking in the works.

I have a soft spot for the few Dunk and Egg stories that Avery has adapted so far. The self-contained adventures feel episodic in contrast to *Game of Thrones*' very deliberate narrative progression. The situations are smaller in scope, but some of the best aspects of this story are how the little interactions shape the present mythos of the book and show. In *Game of Thrones*, we see the whole picture through the eyes of many different characters. In *Mystery Knight*, you're given limited, intimate looks in to the lives of only two, a knight and his squire. Add to that Mike Miller's incredibly clean and detailed line work, and you have a shorter experience that holds its own alongside the pop culture giant that is *Game of Thrones*.

If you find you enjoy it, consider picking up the two prior published trades as well (*The Hedge Knight* and *The Sworn Sword*).

Knights fight and Rebellions stew in this George R.R. Martin depiction of early Westeros!

A SPECTACULAR SUMMER EVENT! This summer, every second counts when acclaimed writer Jody Houser (*Mother Panic, Star Wars: Rogue One*), explosive artist Stephen Segovia (*Ninjak, Action Comics*), comics legend Barry Kitson (*Fantastic Four*), and special surprise guests push Faith into a centuries-spanning fight for existence alongside the greatest heroes of the Valiant Universe...past, present, and future!

Faith "Zephyr" Herbert - former member of Unity, current Harbinger Renegade, and Los Angeles' #1 superhero - is the universe's last, best chance at survival! Centuries from today, a devious artificial intelligence has unleashed a blistering attack on the very foundations of time ...one that is the unwriting history from beginning to end! Now, with her options exhausted, Neela Sethi, Timewalker - the self-appointed protector of what is and will be - has returned to the 21st century to recruit Earth's greatest champions of today and tomorrow to oppose this existential threat...and she needs Faith to lead them! But why Faith? And why now?

This July, fly to the farthest edges of the future in a death-defying race to save time itself as Faith leads the charge alongside Valiant's greatest heroes...and becomes a new legend for the ages!

THE ROAD TO HARBINGER WARS 2 STARTS HERE!

ALL-NEW ARC! ALL-NEW JUMPING ON POINT! "MASSACRE" - PART ONE!

Harvey Award-nominated writer Rafer Roberts (*Plastic Farm*) and superstar artist Darick Robertson (*The Boys, Transmetropolitan*) begin THE ROAD TO HARBINGER WARS 2 - Valiant's seismic 2018 event - right here with a bang that will reverberate throughout the entire Valiant Universe...and claim the life of a major hero!

Toyo Harada's former protege - Alexander Solomon, a "psiot" with the ability to predict and analyze potential futures - has been waiting for this moment. With the Harbinger Renegades - Peter Stanchek, Faith, Kris Hathaway, and Torque - now reunited as a result of his covert manipulations, his ultimate gambit can now begin. But he's not the only one who has been watching. Major Charlie Palmer has just re-assigned a new division of the militarized psiot hunters codenamed H.A.R.D. Corps to active duty...and they're about to bring a torrent of blood and calamity roaring into the streets of a major American metropolis for an all-out firefight.

The Harbinger Renegades. Livewire. Alexander Solomon. Generation Zero. Toyo Harada. Secret Weapons. Imperium. None of them are safe.

FROM RISING STAR

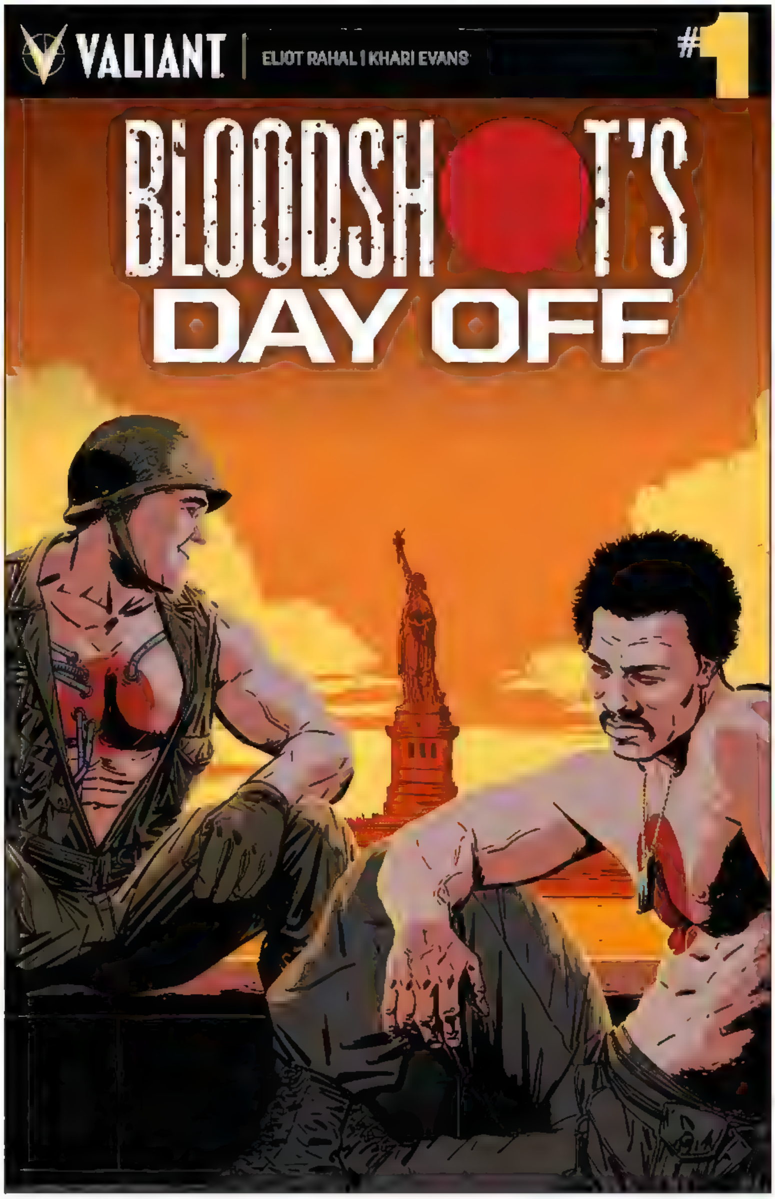
ELIOT RAHAL

(*DIVINITY III: ESCAPE FROM GULAG 396*)

AND EXPLOSIVE ARTIST

KHARI EVANS

(*HARBINGER, HARLEY QUINN*)



Even killing machines need a day off!

For the first time in over 30 years, two nanite-enhanced soldiers once controlled Project Rising Spirit - codenames: "Tank Man" and "Viet Man" - have finally earned their freedom and some government-sanctioned downtime, courtesy of Uncle Sam. After enduring a lifetime of war, blood, and fore, all these two semi-retired commandos want is a little vacation. But how long can this pair of highly trained tourists unwind and enjoy the sights of New York City… before they find trouble in the city that never sleeps?

Leave the selfie stick at home as rising star Eliot Rahal (*Divinity III: Escape from Gulag 396, The Doorman*) and Harvey Award-nominated artist Khari Evans (*Harbinger, Harley Quinn*) give these old soldiers the danger-filled day off they deserve…and celebrate Bloodshot's silver anniversary with an action-packed tribute to the original *BLOODSHOT #12*!

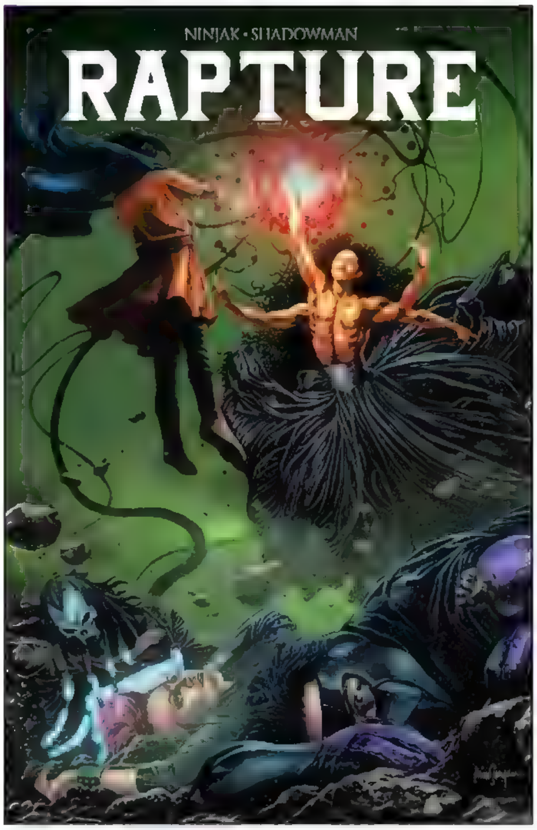
RAPTURE #3 (of 4)



Beware the lords of the Deadside!

Ninjak and Shadowman have launched an all-out assault against Babel - the ancient being determined to breach heaven - on the dark and decaying battlefields of the Deadside. But are the combined might of sword and shadow enough to stop this biblical force of nature...or will they need the help of an ancient and weary warrior whose power transcends their understanding? And as oblivion inches ever closer to Earth, Tama the Geomancer and Punk Mambo must step out of the darkness and halt Babel's forces from infiltrating the land of the living as Valiant's Shadowman-driven standalone event fight on!

Death and the deity!

The horrifying truth behind Rome's grisly string of murders has finally come to light... but will Antonius Axia and his mysterious new partner - the gladiator Achillia - be able to stomach it? It's a race against the clock to stop a serial killer - who may very well be the vengeful spirit of Apollo himself - before it strikes again! But should Antonius and Achillia fail in their mission, they'll condemn not only Rome...but those Antonius holds dear as well.

Visionary creators Peter Milligan (*Shade, the Changing Man*) and Juan José Ryp (*Britannia*) bring the latest case for history's first detective to a chilling close... and forever alter the history of civilization itself!

NINJAK VOL. 6: THE SEVEN BLADES OF MASTER DARQUE TPB

Darque destinies!

Master Darque - the sadistic lord of death and resurrection - yearns to be free once again, but first he must fight for his life. Darque is a target, his powers are weak, and his enemies know it. Now, Darque's own former pupil and Ninjak's ruthless arch-nemesis - the lethal assassin known as Roku - has gathered the Shadow Seven together again for the sole purpose of putting Darque down for good. And the only thing holding their uneasy alliance together is a mysterious benefactor from the shadows... someone who also goes by the name Darque...Everything has led to this... Out of the ashes of BOOK OF DEATH, Ninjak and Master Darque will collide in a punishing circle of death, destruction and hellfire!

Join New York Times best-selling writer Matt Kindt (*Divinity III: Stalinverse*) and blistering artists Marc Laming (*Planet Hulk*) and Stephen Segovia (*Unity*) here for a steel- hardened jumping-on point that will leave Valiant's seven-time Harvey Award-nominated series forever scarred!

GENERATION ZERO VOL. 2: HEROSCAPE TPB

Zeros to heroes!

Generation Zero managed to survive their first mission, and now duty has called on them to venture deep inside a perilous dimension only known as the Heroscape to see the world through a new set of eyes! They'll discover their friends' biggest secrets, their enemies' darkest fears, and their town's sinister connection to this imagination-fueled reality. But just because the Heroscape is imaginary, doesn't mean it can't kill you... And, from anime-inflected zombie hordes to psychedelic sci-fi warriors, all of Rook, Michigan's most deeply buried fantasies are about to come roaring out of your daydreams!

Dream big because New York Times best-selling writer Fred Van Lente (*Ivar, Timewalker*) and acclaimed artists Javier Pulido (*Daredevil*) and Diego Bernard (*X-O Manowar*) are gearing up to send Valiant's temperamental teenage time-bombs blasting out of the suburbs and into their most grisly adventure yet!

X-O MANOWAR DELUXE EDITION BOOK 5 HC

It's here! The seismic final volume of X-O Manowar from New York Times best-selling writer and longtime scribe Robert Venditti (*Hal Jordan and the Green Lantern Corps*) and extraordinary artists Robert Gill (*Wrath of the Eternal Warrior*) Joe Bennett (*52*) and Roberto de la Torre (*Daredevil*), alongside an all-star battalion of writers and artists from across X-O Manowar's landmark run - now in deluxe, oversized hardcover!

For centuries, the sacred X-O Manowar has stood unrivaled as the universe's most powerful weapon. Today, will it equal Earth's doom? An unthinkable alien race known only as The Torment has come to our world in search of the armor's secrets. Now, they stand opposed by Aric of Dacia - former slave, noble warrior, resolute king, and current master of the armor's near-limitless capabilities. But are one man...and one weapon... enough to repel a force capable of leveling a thousand civilizations?

A whole new era for X-O Manowar begins here...and you won't believe what's coming next!

Collecting **X-O MANOWAR #43-50, X-O MANOWAR: COMMANDER TRILL #0, X-O MANOWAR 2016 ANNUAL #1, BOOK OF DEATH: THE FALL OF X-O MANOWAR #1**, and **4001 A.D.: X-O MANOWAR #1,** along with more than 20 pages of rarely seen art and extras!

ALIEN BOUNTY HUNTER #1
(W) Adrian Wassel, David M. Booher
(A/CA) Nick Robles
Ben Madsen is a bounty hunter from Arcadia. Yeah, he knows how that sounds, but the job has its perks. He's got time to take care of his aunt, a community that loves him, and the transition from USMS made sense. Following a newsworthy takedown, Madsen is offered a bail he can't ignore. It's attached to a ridiculously dangerous-sounding fugitive, but aren't they always? Unfortunately for Madsen, his mark is not from Arcadia, and the city he'll be tracking him through... well, nobody knows it exists. Penned by award-winning writer Adrian Wassel (*The Gifted*) & David M. Booher (*Powerless*) with art by Nick Robles (*Clockwork Angels*), Vault Comics brings you an original sci-fi franchise, produced by Mark Wahlberg and created by Stephen Levinson. (STL048020)

Award-winning director and author Makoto Shinkai returns with an adaptation of his very first work. Recently adapted into a television series, *She and Her Cat* is a slice of life story of loneliness, sadness and eventually preserverance expressed by a young woman many people can relate with. On a rainy spring day, a young woman finds a cat she would come to call Chobi outside and brings him home with her. Chobi falls in love with his owner because of her kindness and beauty. On an autumn day She has a long conversation over the phone. When it's over She cries and becomes depressed. Time goes on and it becomes winter. NICHIJOU VOLUME 9 GN

(W/A/CA) Keiichi Arawi
A witty surreal all-ages manga which revolves around the day-to-day lives of the young inhabitants of Tokisadame-city. Funny and heartwarming, *Nichijou* is a humorous look at modern day Japanese life in comic form. While the title suggests a story of simple, everyday school life, the contents are more the opposite. Set in a strange school where you may see the principal wrestle a deer or a robot's arm hide a rollcake the days that transpire through the course of Nichijou are curious and hilarious, if not downright bizzare. However admist all the chaos and comedy Arawi still takes time to share everyday slice of life stories giving readers an insight to modern Japanese youth culture. (A) Chima Kalu & Various

Recently featured in *The Washington Post*, *Malika: Warrior Queen* follows the exploits of queen and military commander Malika, who struggles to keep the peace in her ever-expanding empire. Set in 15th-century Africa, this is historical fantasy like you've never seen it before. Growing up as a prodigy, Malika inherited the crown from her father in the most unusual of circumstances, by splitting the kingdom of Azzaz in half. After years of civil war, Malika united Azzaz, expanding it into one of the largest empires in all of West Africa. But expansion would not come without its costs. Enemies begin to rise within her council, and Azzaz grabbed the attention of one of the most feared superpowers the world has ever known: the Ming Dynasty. Its African history mixed with action, drama, politics, betrayal, romance, and dragons! (STL049093)

GARGOYLES

There are bystander reports of "monstrous" winged creatures attacking South Philadelphia residents in the middle of the night and Skye's book summons her to investigate the nearby incident. She soon learns that the creatures very well could be gargoyles coming to life at night to terrorize local residents, and she needs to find out how to stop them before more lives are taken.

HEADLIGHTS HONEYS: THE "PERFECT PAIR" IN VINTAGE PAPERBACKS, PULPS, AND COMICS HC

(W) Monte Beauchamp, Steven Heller

Once celebrated by skilled painters and sculptors throughout the history of art, with the advent of the Industrial Age and assembly line production, scores of "mams" merchandisers soon got in on the act. There was a time, however, when their low-budget portrayal in comic books, paperbacks, and pulps came under fervid assault, and effectively squelched, by the media censors. *Headlight Honeys* assembles dozens of rare, salacious cover examples and delivers the scoop on this harrowing, pre-code era in American publishing. KIRBY: KING OF COMICS ANNIVERSARY EDITION SC

(W) Mark Evanier, Neil Gaiman (A/CA) Jack Kirby

Revised and expanded! Jack Kirby created or co-created some of comic books' most popular super heroes, including Captain America, The X-Men, The Hulk, The Fantastic Four, The Mighty Thor, Darkseid, and The New Gods. More significantly, he created much of the visual language for fantasy and adventure comics. Almost everything that was different about comic books began in the 1940s on the drawing table of Jack Kirby. This is his story by one who knew him well — Mark Evanier. First issued in 2008, *Kirby: King of Comics* was the first overview of the legendary comic book creator's career. It is now available in a smaller, more affordable package, revised and expanded for Kirby's centennial. (STL048342) (C: 0-1-0)

STAR WARS

STAR WARS: INFERNO SQUAD HC

(W) Christie Golden
The Rebellion may have heroes like Jyn Erso and Luke Skywalker. But the Empire has Inferno Squad. After the humiliating theft of the Death Star plans and the resulting destruction of the battle station, the Empire is on the defensive. In response to this stunning defeat, the Imperial Navy has authorized the formation of an elite team of soldiers, known as Inferno Squad. Their mission: infiltrate and eliminate the remnants of Saw Gerrera's Partisans. Following the death of their leader, the Partisans have carried on his extremist legacy. Now, Inferno Squad must prove their status as the best of the best and take down the Partisans from within. But as the danger intensifies and the threat of discovery grows, how far will Inferno Squad go to ensure the safety of the Empire? by Jarrett J. Krosoczka

STAR WARS: JEDI ACADEMY VOLUME 5: THE FORCE OVERSLEEPS HC

(W/A/CA) Jarrett J Krosoczka

Victor Starspeeder's adventures continue in the newest volume of *Star Wars: Jedi Academy!* Victor is back at Jedi Academy and he truly defines the definition of sophomore, specifically a sophomore in a slump. He was excited about Drama Club and hoped to get the lead in this year's musical. But his best friend, Artemis, got the role. On top of that his sister, Christina, is getting ready to graduate from Jedi Academy. She's always taken care of him, and Victor is lost now that she's not around as much. Can Victor roll with the (force) punches? Or will he revert to his old ways and go back to being the class clown? (STL047266) (C: 0-1-0)

STAR WARS: JEDI ACADEMY YR HC'S

(W/A/CA) Jeffrey Brown

Roan's one dream is to leave home and attend Pilot Academy like his older brother, father, and grandfather. But just as Roan is mysteriously denied entrance to Pilot Academy, he is invited to attend Jedi Academy, a school that he didn't apply to and only recruits children when they are just a few years old. That is, until now. These inventive novels follow Roan's studies at Jedi Academy where, under the tutelage of Master Yoda, he learns that he possesses more strength and potential than he could have ever dreamed. Illustration features the spectacular art of Earl Mayan, best known for his photographically detailed slick magazine illustrations of the 1950s. Written by the artist's daughter, the profile presents a behind the scenes look at the creation of his finest illustrations, as well as dozens of reproductions of his original paintings, drawings, and rare reference photographs. The second feature examines the link between William Faulkner's paperbacks and the influential and widely imitated cover art of James Avati. Last up, James Witek returns to explore the graphics used in marketing bubblegum cards through the decades. (STL048651) (Illustration Magazine) (C: 0-1-2)

This exclusive limited publication is the first Volume of a 4-volume set that builds into a complete record of the marketing and official collectables produced for the James Bond films from 1962 to 1972. Exhibitors' Campaign Books/Pressbooks have been around as long as there have been movies, and have always featured an eclectic mix of elements helping to promote a film. In the United States these publications were called Pressbooks and were completely different in content to their UK counterpart. Pressbooks were also produced for other territories around the world, but these, although interesting, were seldom as lavish in production as their UK and U.S. counterparts. GRAPHITTI DESIGNS FLASHBACK

The Action Figure market went crazy in the late 90's. Having dipped our toes in every other imaginable type of merchandise, action figures seemed like a no-brainer. Under our Big Blast banner, our premiere series featuring Madman, Grendel and Mage, was quickly backed-up by our award-winning Jay & Silent Bob set (yup, we won a 1998 ToyFare award for "Best Accessories"). Though we got in a little over our heads, we had the opportunity to produce some incredible toys that we are still treasure and are extremely proud of.

DK ADVENTURES

SUPERMAN VS. MUHAMMAD ALI 7-INCH ACTION FIGURE 2-PACK

One of the most famous matches of all time comes to action figure form! In 1978, legendary boxer Muhammad Ali proved that he truly was "the greatest of all time" by defeating the strongest man on Earth, Superman. Far from a grudge match, this battle in the pages of DC Comics' historic *Superman vs. Muhammad Ali* would ultimately set the two up to save the planet from an alien invasion. Now for the first time ever, that iconic team-up comes to action figure form in a stylized set that pays tribute to the philanthropist, social activist and three-time World Heavyweight Champion. Both 7" scale figures have over 25 points of articulation and feature comic-stylized deco based on Neal Adams' spectacular cover art. Superman includes alternate ungloved hands. O/A HELLRAISER: HELL ON EARTH PINHEAD 12-INCH VINYL FIGURE

Deep from within the dimension of eternal torments comes the High Priest of Hell himself: Pinhead. We're bringing the leader of the Cenobites into our realm with an exquisite 12" figure, as the cries of the damned rage loudly with anticipation. Pinhead's detailed portrait sculpture captures each grid scar and nail of his infamous visage. His vestments perfectly capture the look from the legendary film. The flayed portions of Pinhead's flesh bear witness to his suffering with a realistic wet-look finish. His sacred instruments, a trio of blades, dangle from his holy robes. The figure comes complete with two sets of hands: one set to hold the included Lament Configuration for summoning the Cenobites, and a second set to wield his instruments of transformation. Pinhead features 7 points of articulation and is packaged in a specially die-cut collector friendly window box. TOA HEAVY INDUSTRIES: SYNTHETIC HUMAN 1/12-SCALE ACTION FIGURE

The "Synthetic Human" from Tsutomu Nihei's original series *TOA Heavy Industries* is now in 1/12-scale! Being able to adapt to various environments, the Synthetic Human's combat ability is very high. But due to being a prototype, his outer aspects are incomplete, making the facial mask a mere shell which mimics the human face. First time in 1/12-scale, this is not a mere downsized version of the original 1/6-scale figure, but a more brushed up version with articulation, gimmick and outline optimized to fit the 1/12-scale body size! O/A GODZILLA 12-INCH SERIES: GODZILLA 1984 FIGURE

From X Plus USA. The Return of Godzilla (a.k.a. *Godzilla 1985* in the U.S.) Was the sixteenth film in Toho's *Godzilla* series, and was the beginning of a rebooted series of films, ignoring all of the films from 1955's *Godzilla Raids Again* through 1975's *Terror of Mechagodzilla*. The film, which was a direct sequel to the original 1954 film, *Godzilla*, was produced to coincide with Godzilla's 30th anniversary, and returned the series to the darker themes and mood of some of the early films, returning Godzilla to his old destructive ways as well. This 12" scale figure captures the Kaiju King's new look from the film. (STK684130) **Available Now!** (4878) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

MARVEL UNIVERSE VARIANT PLAY ARTS KAI: MAGNETO ACTION FIGURE

From Square Enix. He has been both a member of the X-Men as well as their antagonist. Dubbed the "Master of Magnetism", Magneto has the ability to control nearly any metal. With our Marvel Universe Variant, we have placed importance on the figure's heft and hardness, in an effort to express his special abilities. His cape especially has been designed with magnetic forces in mind. With the concept of a collection of small iron sand and metal pieces pulled together by magnetic force serving as its inspiration, it adopts a unique texture that differs from a traditional cloth cape. The application of the paintwork creates a stark contrast between light and shadow to emphasize his weighty presence. He projects the air of overwhelming strength befitting a mutant with powers capable of manipulating even the Earth's magnetic fields. With expressive interchangeable hand, face and effect parts included, this figure constitutes a comprehensive package of Magneto's power and strength. Figure includes display stand. (STL049150) Scheduled to ship in September 2017. (1089/662248818948) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

ZOMBIE WORLD ORDER COLLECTIBLE CARD GAME

Zombie World Order is a two-player, head-to-head, competitive trading card game where players take on the role of one of the few survivors of a zombie-infested, post-apocalyptic world where the only thing that matters is survival. Using 50-card decks, players command undead armies using magic to summon a wide variety of zombies with two signature characteristics — Toughness and Revival — which are key to gameplay, as Toughness lets zombies take multiple hits, while Revival brings 'em back for more! There are three kinds of zombies — Deadman (classic Japanese zombies like samurai, ninjas, sushi chefs), Mech-Z (mecha-inspired zombies such as soldiers, rocket-man, and lightning girl), and Immortals (demons and ghosts). Available in Booster Packs or a Special Pack Set (w/3 booster packs, plus 20 fixed cards and a playsheet).

THE TERMINATOR: THE OFFICIAL BOARD GAME

(W) Taylor Smith

The Terminator: The Official Board Game is an asymmetrical strategy game for 2-5 players played across two boards: one in 1984 and one in 2029. One player takes control of all of Skynet's forces: Hunter Killer machines, Terminator cyborgs, and more. The rest of the players take the role of the human resistance, struggling against the impossible odds of the machine uprising. Each of the two game boards play differently: 2029 focuses on light troop and resource management in a lopsided battle for dominance. 1984 focuses on personal missions with high stakes and intense pacing. Missions arise through the course of gameplay, and have players make decisions in 1984 that will affect the future, erasing and adding components in real time. (STL049047) (C: 0-1-2)

ARGO AND THE JACK KIRBY CONNECTION

Or, How the King of Comics Unknowingly Helped to Rescue Americans Trapped in 1980 Iran

Jack Kirby is the undisputed "King of Comics", a mantle he still holds claim to, even years after his unfortunate passing. His sense of design and the sheer scope of his artistic eye conjured forth hundreds of characters, from *Captain America* in the 1940s (with Joe Simon), to the giant monsters of the early '60s, to the pantheon of Marvel Super Heroes and villains from the early '60s onward, to the cosmically charged "Fourth World" saga at DC Comics… his imagination knew no boundaries. He's even credited with the creation of the Romance Comic genre (again with longtime partner, Joe Simon)!

But after many years of working for the Big Two, Kirby began to grow weary of comics and wanted to move into animation and film. To finish out his Marvel contract in 1978, Kirby moved to doing storyboards for Marvel's *Fantastic Four* cartoon for Hanna-Barbera, which opened the door to more work in TV and film for the next decade. That same year, Kirby was contacted by producer Barry Ira Geller, who wanted to collaborate with Kirby on an ambitious SF/Fantasy project: a film adaptation of Roger Zelazny's Hugo Award-winning novel, *Lord of Light*. For that production, Kirby (working with longtime inker, Mike Royer) created 13 astounding images that were reproduced and made into media kits by Geller to help promote the project, which also included plans to turn the Kirby-designed movie sets for the film into a permanent theme park to be called "Science Fiction Land". Unfortunately, the project was forced to fold after problems arose within the production.

But that's not the end of the story.

In 1979, the CIA undertook a daring plan to rescue six American embassy workers who, after the American embassy in Iran was overrun and hostages were taken, hid out in the Canadian embassy until they could be secreted out of the country. A CIA operative named Tony Mendez, working with Academy Award-winning Make Up artist John Chambers (*Planet of the Apes*), and his special effects associate, Bob Sidell, came up with a plan to rescue the embassy workers from Iran by posing as a film production crew looking to film on location in Iran. The plan was to get into the country on a "scouting mission", then coach the embassy staffers in how to look like an authentic film crew, then leave the country once the "scout" was finished. Those who have seen Ben Affleck's film *ARGO*, know how the situation played out. Geller and Kirby never knew how their project had been used to save lives until the operation was finally declassified in 2007.

Affleck's film disappointingly didn't include Kirby's artwork, but thanks to Mr. Geller and the folks at TwoMorrows, it has been preserved in all its POP ART glory for all to enjoy!

CATALYST PRIME: SUPERB #1

Recommended by Jonathan

Lion Forge's Free Comic Book Day title *The Event* sets the stage for many excellent titles by a whirlwind of talented creators, and *Superb* is a strong addition to their line-up. Starring Kayla Tate, a teenager put in a living situation she didn't choose, she deals with strained personal relationships while trying to figure out why Cosmosis, a new superhero and social media icon, is hanging around her hometown. *The Event* changed the world, and with the dust settling everyone is rapidly learning that life isn't so normal anymore.

The Event invites creators to join the sandbox of Lion Forge's expanding superhero universe, and *Superb* brings an all-star cast of talent to play. Fans will recognize Sheena C. Howard as the Eisner Award-winning author of *Black Comics: Politics of Race and Representation*, and she is joined by David Walker, author of fan-favorite Marvel series *Power Man and Iron Fist* and *Nighthawk*. Ray-Anthony Height brings superhero flare to the table, having previously worked on titles such as *Spider-Girl* and his own *Midnight Tiger*, and is joined by LeBeau Underwood and Veronica Gandini to round out the interior art excellence.

On top of everything else that makes Superb an engaging story, Lion Forge is teaming up with the **National Down Syndrome Society** on the portrayal of Cosmosis, while also including educational information on Down Syndrome within each issue.

Summer always seems to be the best season for comic books, with top-notch books arriving in stores every week. *Superb* is a great example of what makes comic books so fun, and another must-read chapter in Lion Forge's Catalyst Prime line.

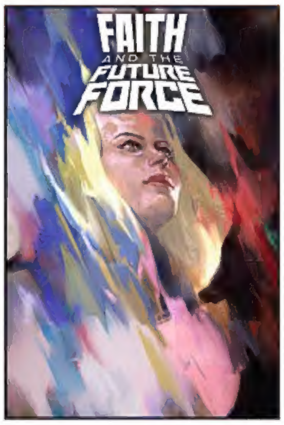
FAITH & THE FUTURE FORCE #1

Recommended by Trevor



Following the events of *Harbinger Renegade*, Faith is back at work as Summer Smith when she is confronted Dr. Neela Sethi, Timewalker, who is on a *Doctor Who*-ish mission to save life, the universe, and everything from a deranged AI bent on unwriting the history of Earth. Neela knows she needs Faith to prevent the deletion of time – past, present, and future – as we know it, but she doesn't know much more than that. In fact, this isn't even her first attempt to gather the right crew to stop the AI. It isn't even her second or third. And until they find the exact right group of Faith and super friends, the time loops will just go on or else the future of the universe will end before it ever began.

An action-packed, time-hopping, sci-fi summer event for fans of Faith, the Valiant Universe, *Groundhog Day*, *The Edge of Tomorrow*, and *Terminator*.

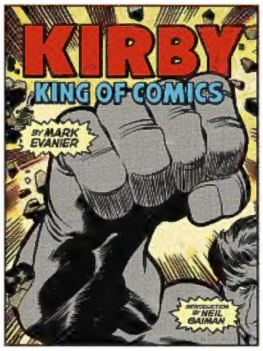
KIRBY: KING OF COMICS ANNIVERSARY EDITION

Recommended by Steve



This year we celebrate what would have been Jack Kirby's 100th-birthday but he is the one continuing to give us gifts. Without Jack and his co-creators the comics world would be bleak, missing Captain America, Challengers of the Unknown, Fantastic Four, X-Men, Silver Surfer, The Inhumans, Black Panther, the New Gods, Darkseid, even Fing Fang Foom and Groot.

It was the visual storytelling of Jack Kirby that brought these and many other iconic characters to life on the four-color pages of comic books. Would there have been a Marvel Age of comics, would there be any true Believers, a MMMS, would anyone face front if Jack wasn't giving visual life to these and many other characters from the 40s to the 80s?

Kirby: King of Comics Anniversary Edition is a softcover revised and updated edition of the **Winner of the 2009 Eisner Award for Best Comics-Related Book.** Jack created much of the visual language for fantasy and adventure comics from the moment he entered the industry. Almost everything that was different about comic books began in the 1940s on the drawing table of Jack Kirby. This is his story by one who knew him well, Mark Evanier. The first edition of *Kirby: King of Comics* was the first overview of the legendary comic book creator's career. It is now available in a smaller, more affordable package, revised and expanded for Kirby's centennial.

This is one of the must have books honoring the King of Comics, Jack Kirby. Even if you have the previous hardcover edition you need this edition as well. It's Never Nuff Said when it comes to the king and his importance in our industry.

THE LEGEND OF ZELDA LEGENDARY EDITION VOLUME 5: FOUR SWORDS

Recommended by Matthew

The Legend of Zelda is one of the most memorable videogame franchises in history. The series has been one of Nintendo's best sellers, with nearly every game receiving a manga edition crafted by Akira Himekawa.

The Legend of Zelda: Four Swords game is notable as it offered players the first multiplayer Zelda experience battling Vaati. The villain having been previously sealed away in a weapon called the Four Sword before he had broken free of his bonds and absconded with Princess Zelda forcing the players to take up the Four Sword and give pursuit. The Four Sword when drawn splits Link into 4 different versions of himself allowing up to 4 players to enjoy the game and battle their way to the Wizard rescue the Princess.

Originally published by Viz in 2012 and 2013, the two volumes of *Legend of Zelda: Four Swords* are getting the *Legendary Edition* treatment already received by fan favorites *Ocarina of Time* (SEP162089), *Majora's Mask*, and *A Link to the Past* (JAN172160).

Be sure to pick up *The Legend of Zelda Legendary Edition* Volume 5: *Four Swords* this July to pick up a piece of the Hyrule's history.

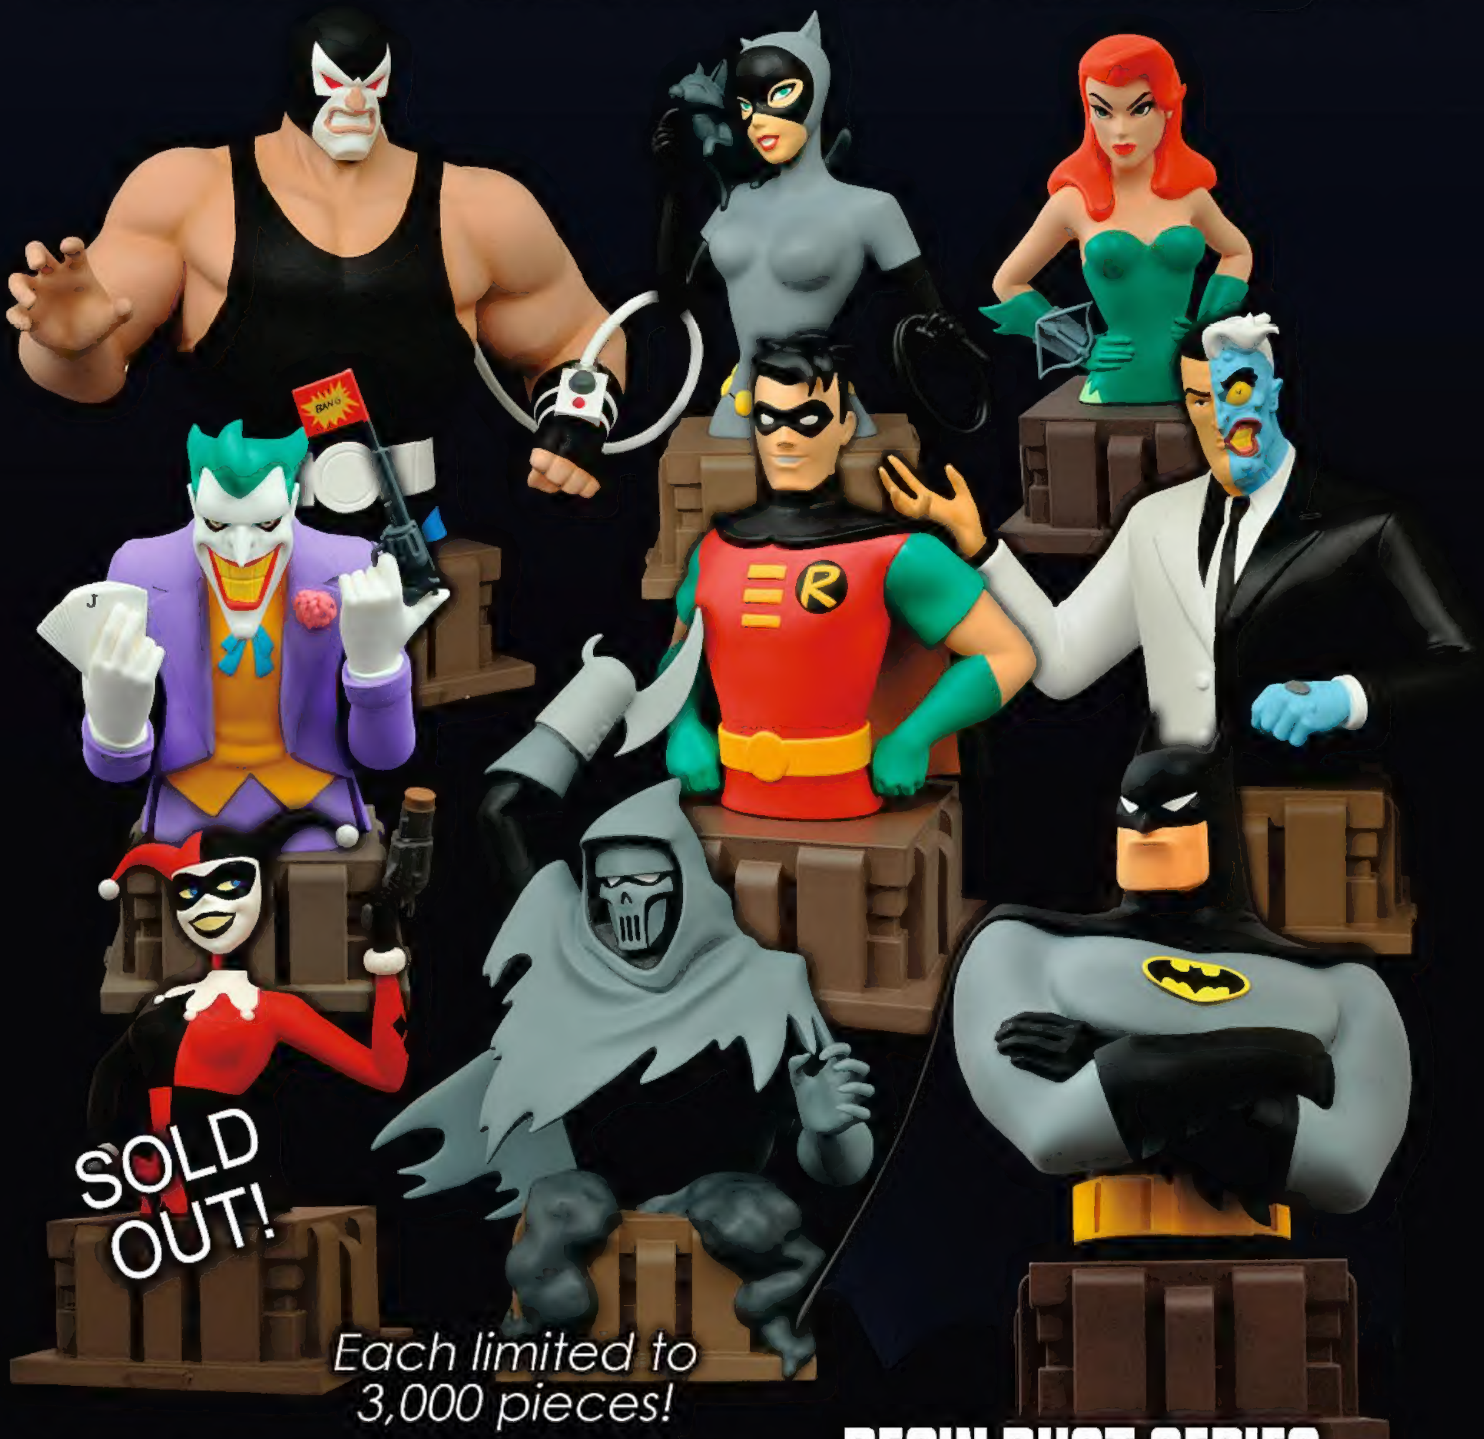
The war for GOTHAM CITY has begun!



BATMAN™
The Animated Series

RESIN BUST SERIES

The population of GOTHAM CITY is growing, and the odds are always in the villains' favor! BATMAN, ROBIN and occasional hero CATWOMAN can now share a shelf with THE JOKER, HARLEY QUINN, TWO-FACE, POISON IVY, BANE and PHANTASM, with more to come. Each resin bust is approximately 5" to 7" tall atop an art-deco base.
